Title Nine(9)

In 1972 the Federal Congress completed the last stages of the Educational Amendment Title Nine. It took five years to complete from the first initial stage to the time it was enacted.

Title Nine is a portion of the Federal Education Amendment which prohibits sex discrimination and segregation in education.

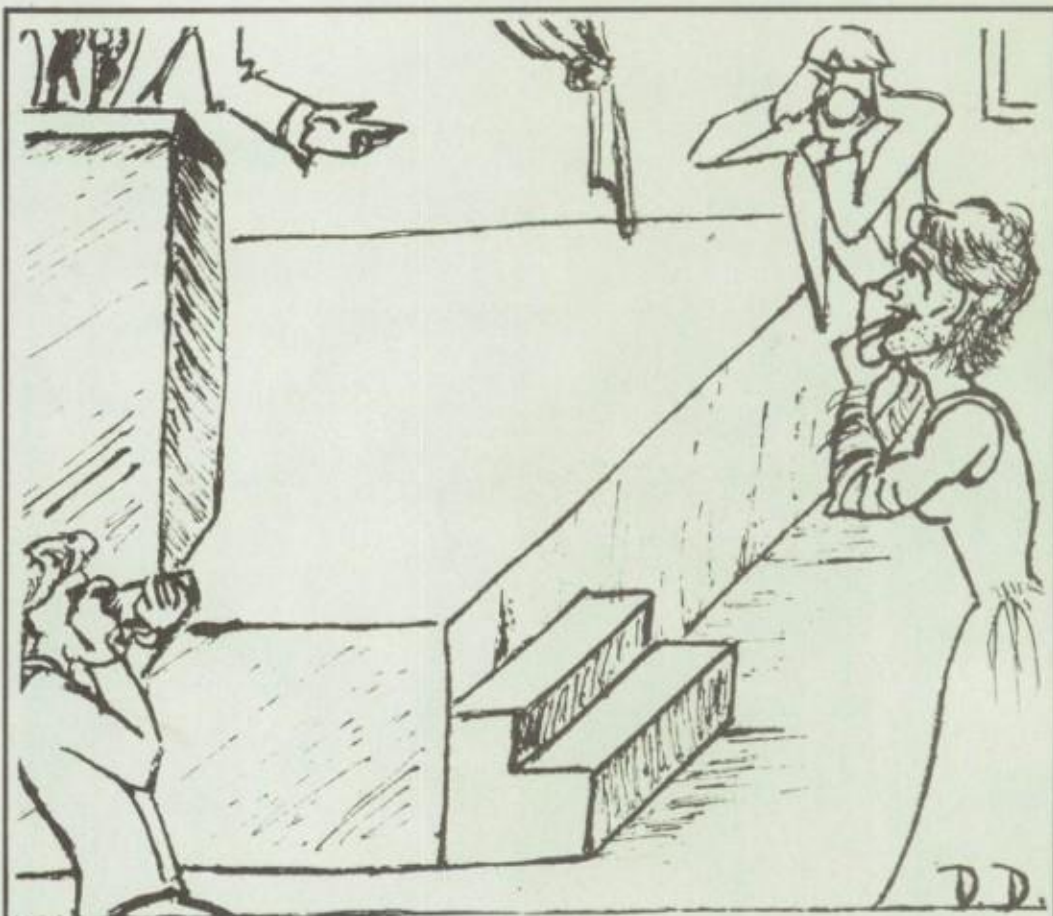

The effects Title Nine has had on Carlsbad High School's activities and clubs has been tremendous. Girls activities have been hardest hit with this new rule. Such activities as the Girls' Glee club can no longer retain their old name because it is discriminating. The group is now called Treble Choir. One of the most favored mock sports for girls is Girls' Powderpuff Football. This name is also to be changed, to Super Bowl. The reason because girls might become offended by the old name. Traditionally we have had boys dress up as cheerleaders on Powderpuff day. This is now no longer allowed, because it is discriminating against both sexes. The reason behind these is beyond my comprehension. Half the fun of such activities are the little crazy things students do, such as boy cheerleaders dressed up as girls. To pick a Homecoming Queen is a tradition which is an honor to any girl. But now, so that neither sexes be discriminated against, it is required that we have both a homecoming queen and king. In my opinion, boys have never really cared much about being a king, but rather in kissing the queen - well and fitting.

In a student survey, one out of every 10 students said that it was foolish or corny. This survey included both boys and girls. Evidently they do not feel threatened by tradition.

Title Nine is indicative of the age of women's liberation, and reflects a sudden awareness and a new interpretation of an event that has existed since Adam and Eve in the garden. It has its good points, but as many things today, it has been so overworked and interpreted that it is taking on a definite air of absurdity.

Carol,
I'm glad friends

year had our differences

I hope to see you during

An Occurrence in Choir

One day the Lancer Choir was presenting a concert for Valley Jr. High. All were given instructions to take special care of the robes, which were new. Always there is one who doesn't get the word. Upon returning to school one student comes dejectedly into Mrs. Bursvold's office holding up a robe that was in shreds! "What happened?" Student, "I hitched a ride on a motorcycle!"

Carol -
 You're such a special friend to me
 I know that I can trust you with
 my problems and I really miss having
 a class with you where we can talk
 about the bible and ourselves. Carol,
 I want you to know that I love
 you like a true sis.
 May the Lord be with you always

A Brief History of C.H.S.

Twenty years ago, on February 17, 1958, 387 students and 12 teachers "crossed the slough" and became the charter members of Carlsbad High School. The CHS students had spent their first semester at Oceanside High. Their classrooms were made up of basements and boiler rooms, which were condemned the day after the students left.

Five of the 12 original teachers are still here: Dorothy Recotor, Ken Crow, Swede Krcmar, Helene Dodd, and Dmitri Poradosky. Mrs. Dodd had both the sophomore English classes. There was a total of 91 tenth graders.

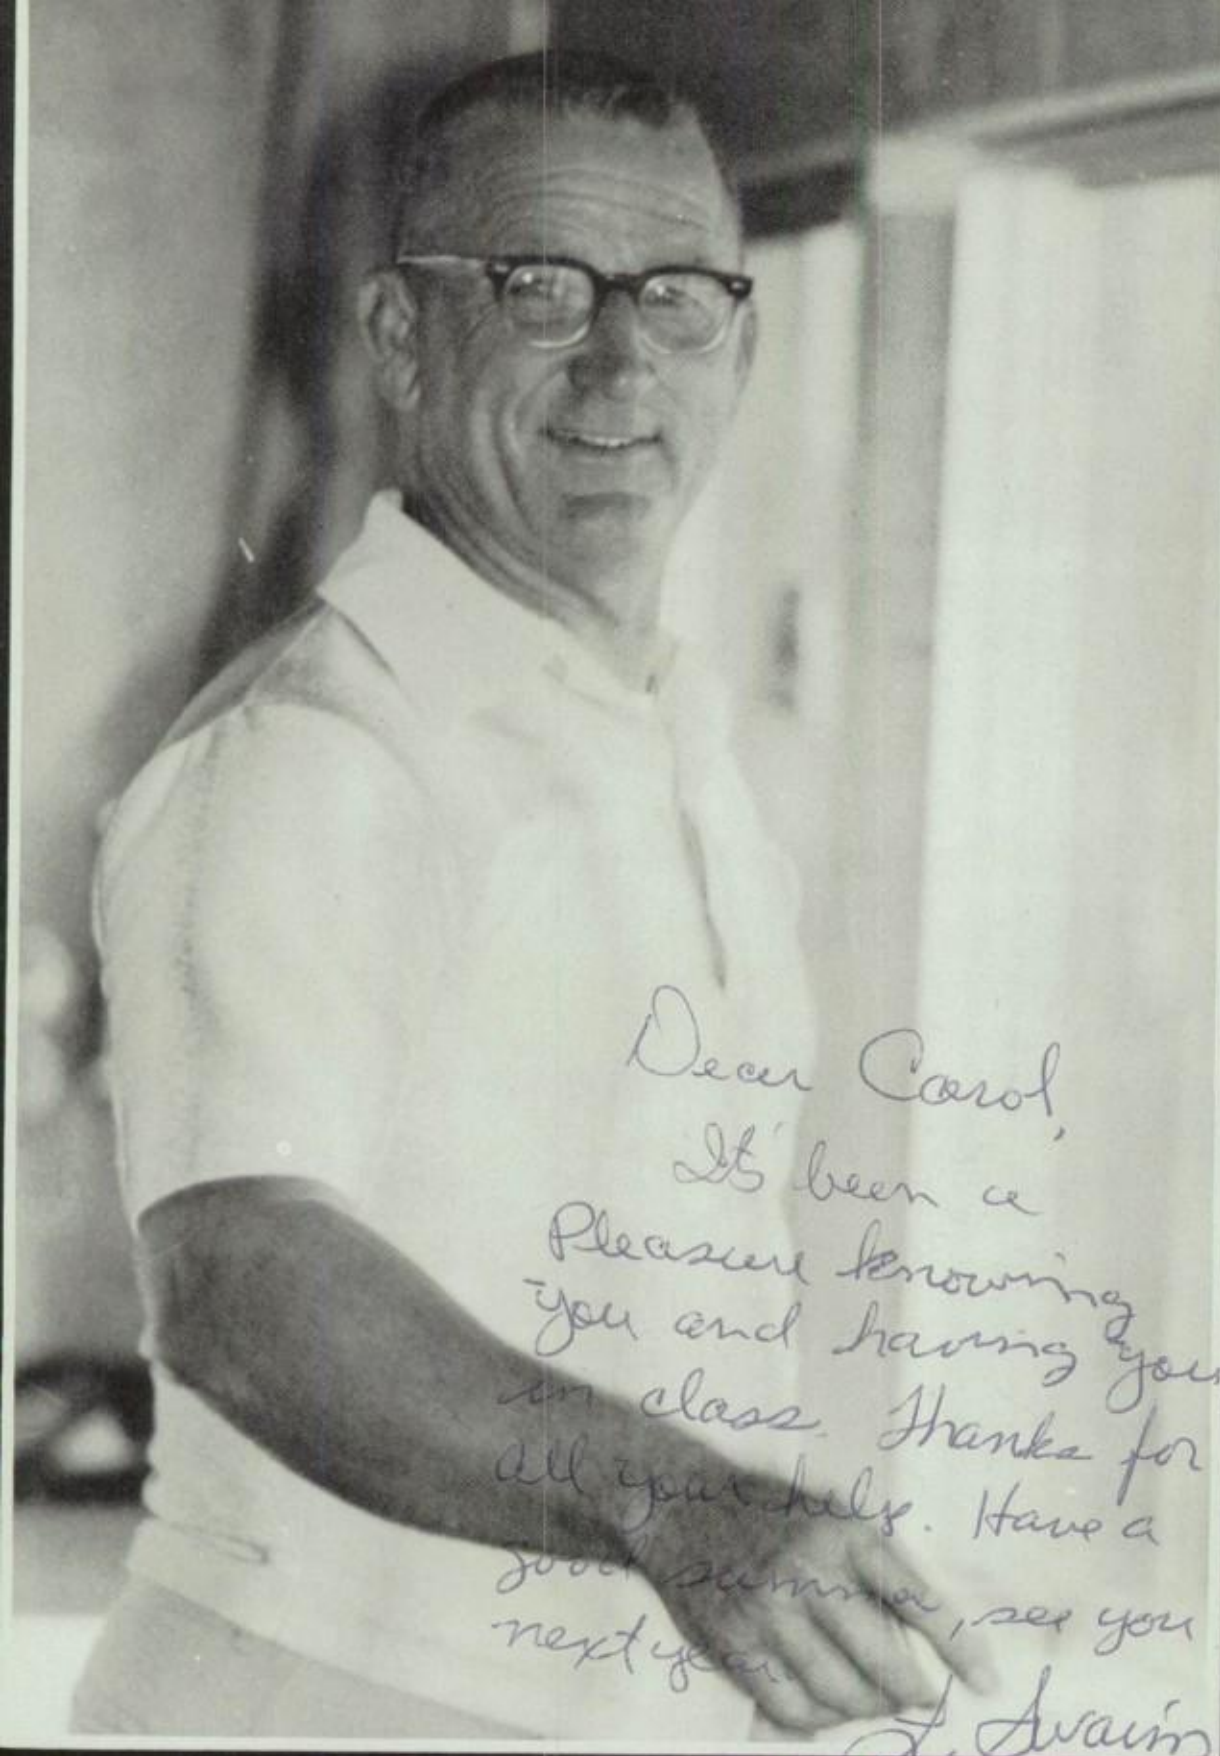

At this time, Carlsbad consisted of only the 100 building, and the north side of the 200 building. The cafeteria, library, and the showers were also built in 1957. The gym was not constructed yet. The football field could not be used, because the lights and bleachers were not yet put up. What is now the baseball field was homes and did not belong to the school. The Christmas season of 1969 was not a happy one for the administration of CHS. The administrative offices were burned down causing approximately \$50,000 in damages.

How many people have wondered how the spirited Lancer became the Carlsbad mascot? What about the old reliable purple and white? While Carlsbad's students were still at Oceanside, teachers chose leaders in student government to select a few mascots. The student body voted to be called "Lancers," and have been called that since. It was the same procedure for Carlsbad's colors. One choice, other than purple, was lavender.

Dress and conduct codes have changed greatly in these 20 years. Some of the rules were: first, girls, of course had to wear dresses. Boys had to wear shirts with pockets, and no pictures or sayings on them. No boy could wear pants without a belt, and no one could wear sandals. Carlsbad was known as a "hand-holding" only campus, which meant girls and boys could hold hands, but nothing else on campus. If a couple was caught kissing, they were severely reprimanded.

Over the last 20 years, Carlsbad has changed. In 1971, it was incorporated into its own district. Buildings have been added continually since 1957, and as one can see, the construction still continues this year. These last 2 decades have been good, and the next two should be better. "Lancers Hail to You!"

DEDICATION

For 30 years (since 1947) the students of the Oceanside-Union High School District and later Carlsbad High School have been fortunate to have this man on the teaching staff.

He was a bus driver at first, later becoming a teacher who coached for some time out of interest with no pay. Officially he coached freshman football, and freshman, junior varsity and varsity baseball.

Most students today know him as a driver training instructor.

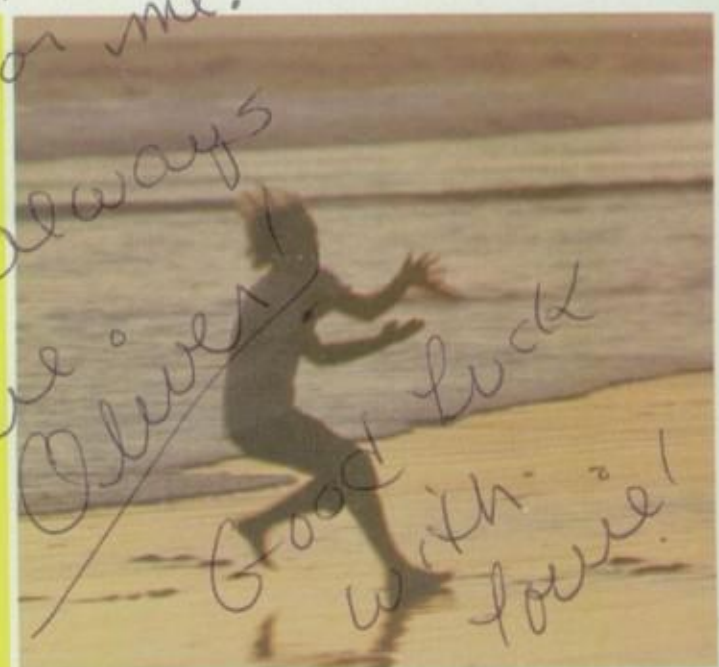

His warmth, generosity, enthusiasm and occasional outburst have endeared him to students and faculty alike. We hope some of his sincerity has rubbed off.

LES SWAIM . . . "WE WUV YOU"

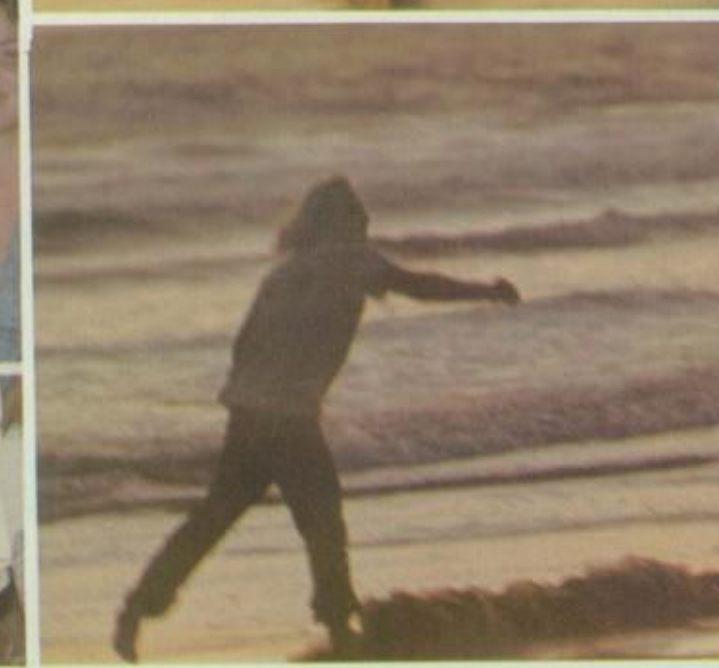

I'd like to thank you for being a really good friend. I don't really know why I didn't really like you but you are one hell of a person. Thanks for being a year of a sweet. Call me up this summer if you have time for me.

Grafft Kidnapped

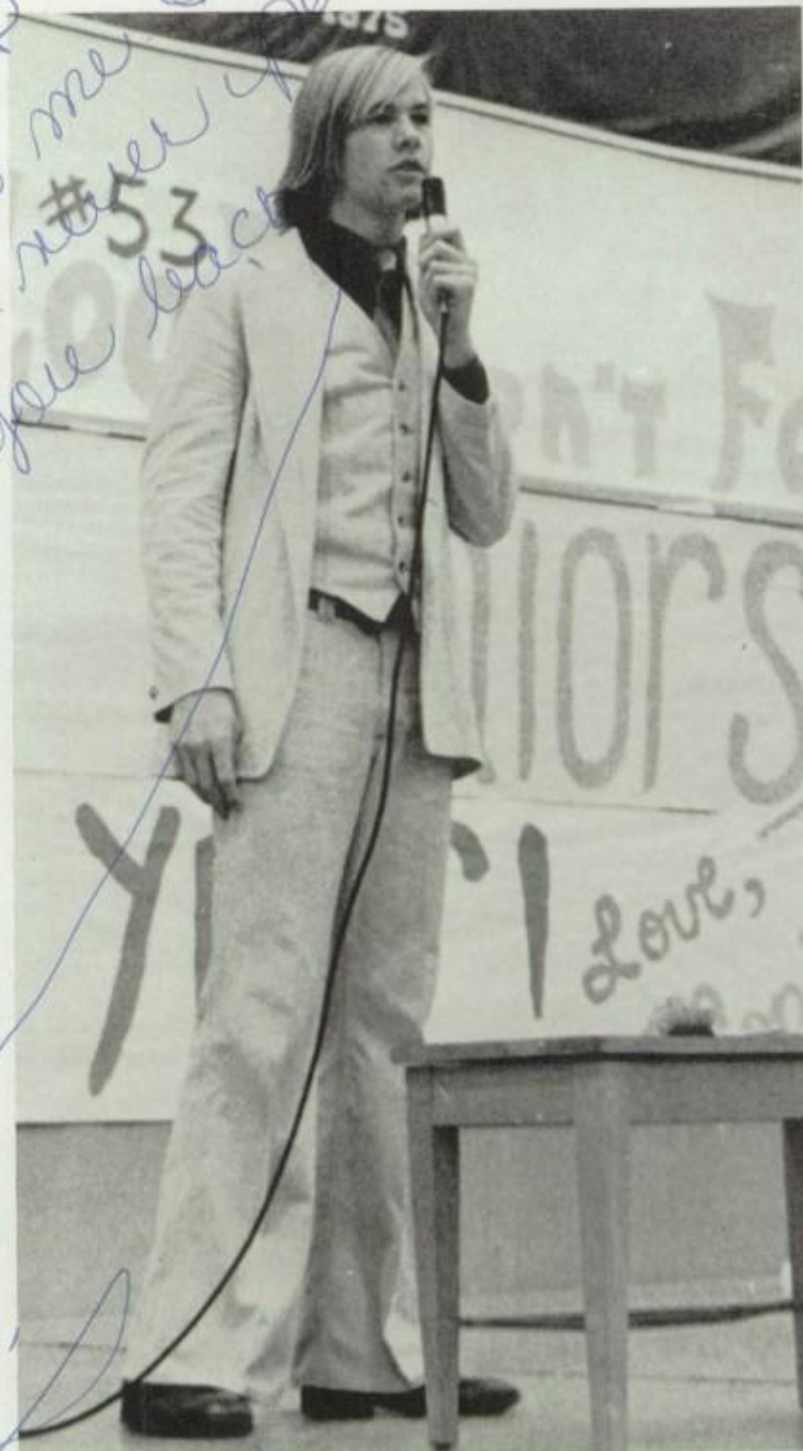

On Friday, October 15, our ASB president Chuck Grafft, was kidnapped by the Wildcats of El Camino High School. This act was a continuation of the rivalry began at OHS. By staking out his house for 3 days, the students of ECHS decided the best plan would be to take him while he was walking to school. As Chuck neared the school, a truck pulled in front of him. A few of the Wildcats got out and announced their intention of kidnapping him. Not taking them seriously, Chuck began walking again. But then he realized that they were serious. So, knowing he had a geometry test that day, Chuck jumped into their truck.

He was taken to breakfast and then to play miniature golf. Later he was introduced to the football team.

In the meantime, CHS received a ransom note demanding our cheerleaders and 16 points on the football game.

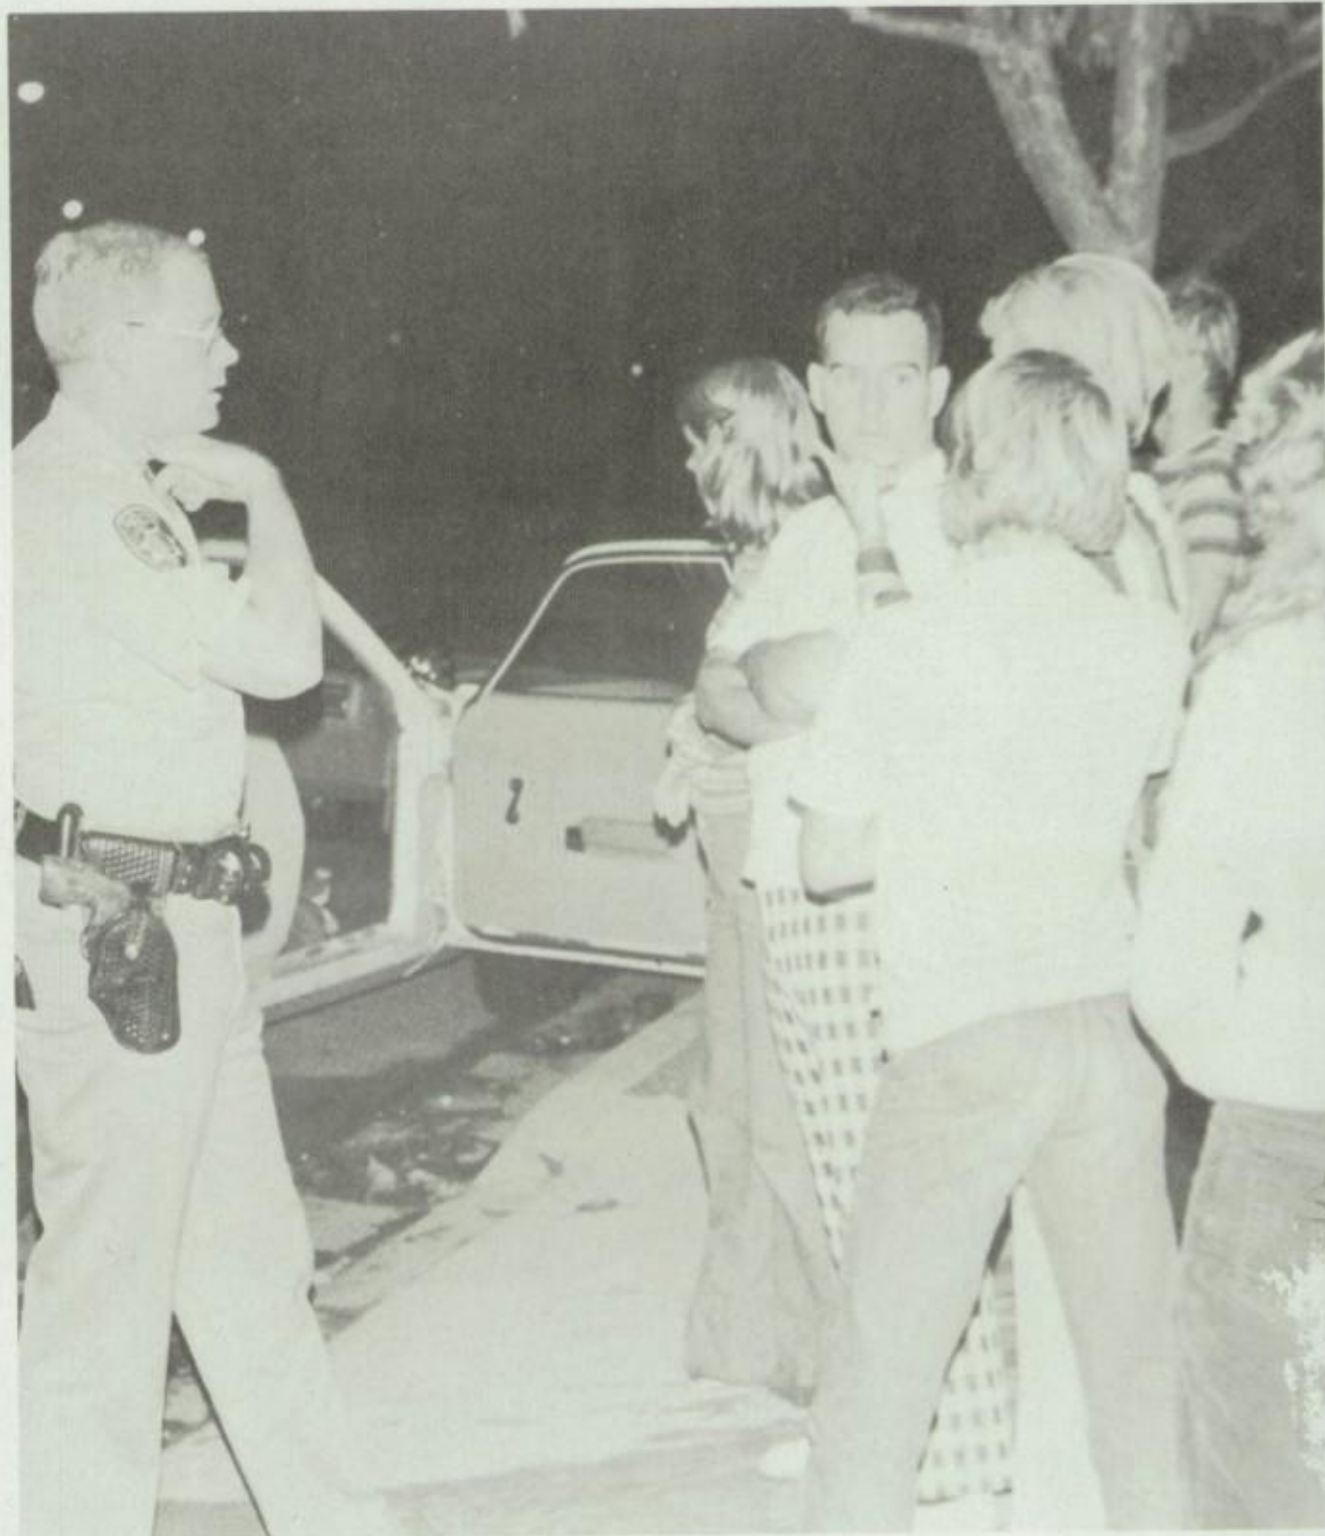

To this Carlsbad High School replied: "KEEP CHUCK!"

It must have been like the RANSOM OF RED CHIEF because he was returned and it cost us nothing.

. . . Who Has the Most Spirit?

Lancer Day Proves It!

Class rivalry marked the 1976 Lancer Day preparations which began in early fall, marred only by some over exuberant water balloon throwers who nearly lead to the cancellation of float meetings after city police were called. The final night found students up all night and falling asleep in classes. But few cut school, and everyone got caught in the enthusiasm.

Lancer Day Monarch . . .

The Lancer Day Assembly was a "marked one" in Carlsbad High's history. For the first time, a Lancer King was chosen to reign along with the traditional queen. Frank Castro and Stephanie Rader were crowned King and Queen. The court included Princess Mary Ludwick escorted by Prince Mike Alberico; Princess Meg Cipriano escorted by Prince Larry Coleman; Princess Coral Frolander escorted by Prince Chris Alberico; and Princess Kathy Walker escorted by Prince Randy Larson. The Royalty was crowned by the returning 1975 Lancer Day Queen, Emily Ludwick.

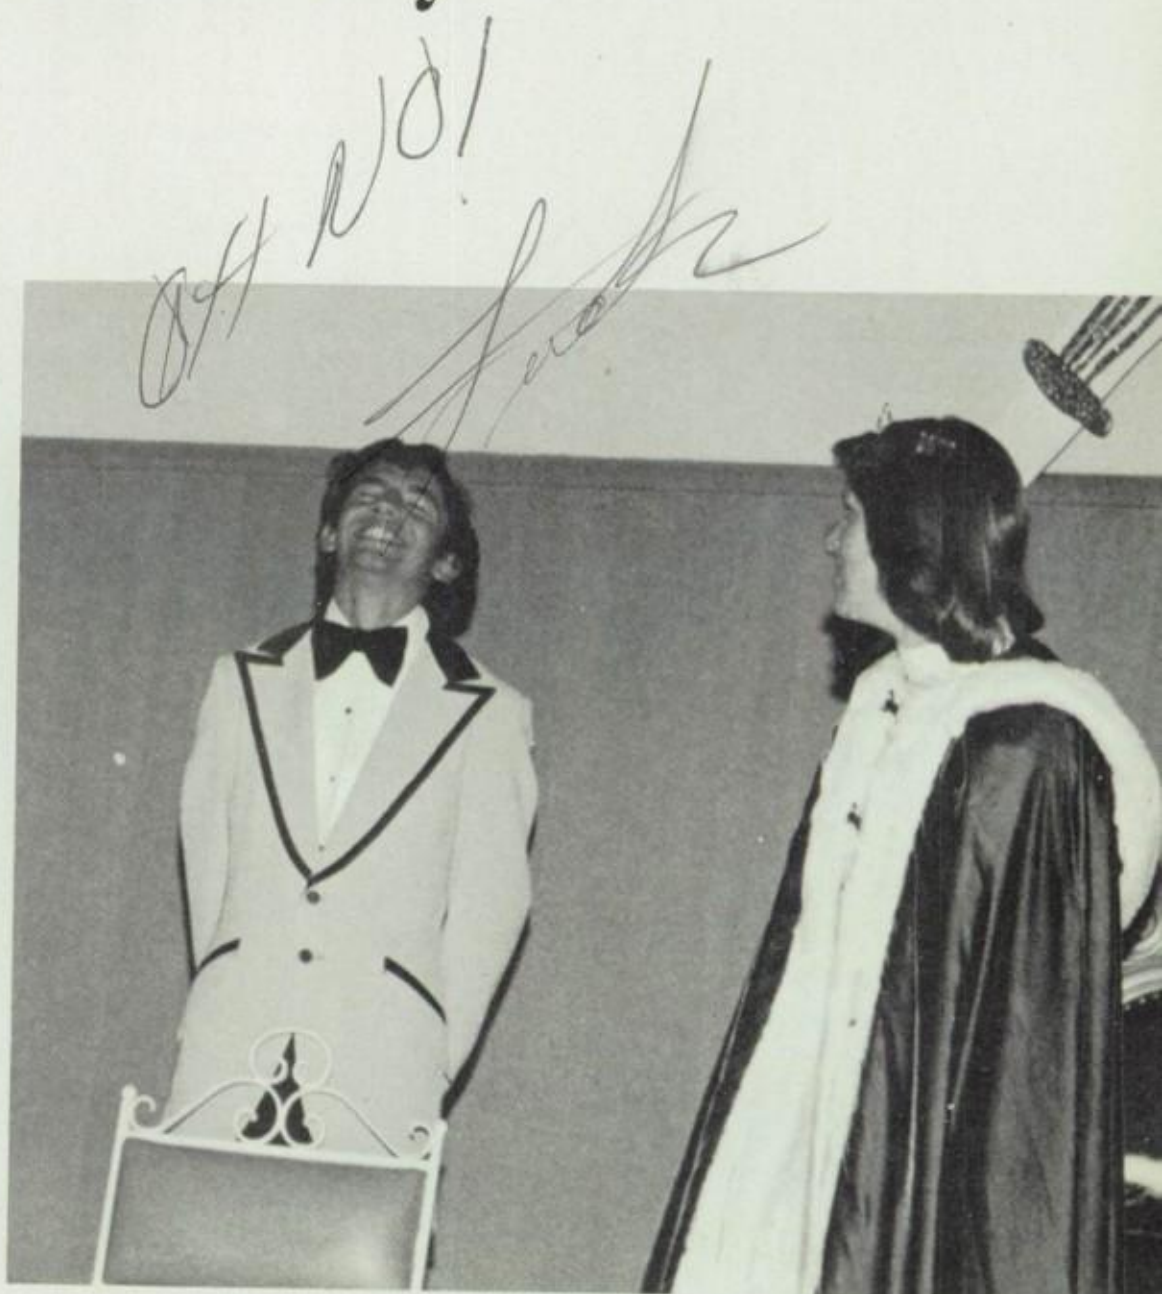

Carol,

Well I've known you for a pretty long time now and we've gotten to be pretty good friends. I don't know why, but lately, we haven't been talking to each other anymore. Oh well, nothing can be done about that now. I know you and I will be together for a really long time if not forever. You're a real sweet kid, and you better never change. By the way, I'll call you! Call me sometime in the summer okay. Love & friendship, Kathy me

. . . The First in CHS History

Lancer Day

The parade featured the most elaborate floats in the school's history. It was highlighted by the clowns from the drama club.

Sophomores won the honors by gaining first place and \$100. Their winning slogan was "Lancer force will whip that Horse." Second place went to the Seniors and third was captured by the Juniors. The Freshmen won fourth.

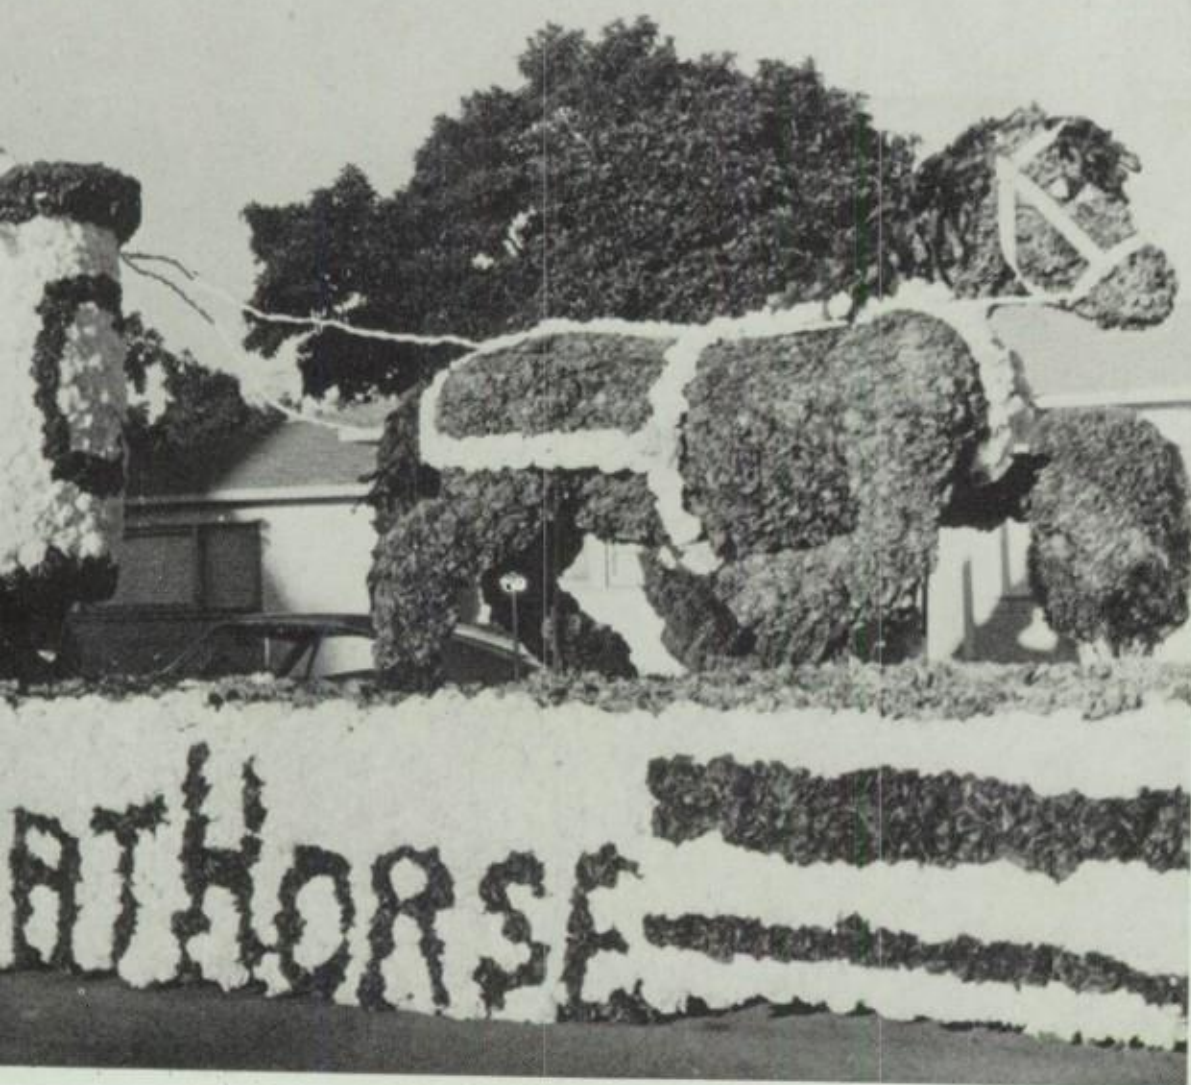

Most clubs added an entry along with the royalty, band and girls' marching units.

The floats were later displayed at the football game, which was climaxed by a victory!

About a decade ago, Alan Jay Lerner, writer, and Frederick Loewe, composer, decided to make a musical play out of Bernard Shaw's PYGMALION. MY FAIR LADY is a story of a phonetics professor's attempt to change the English guttersnipe, Eliza Doolittle, into an English lady of fashion. When Henry Higgins first sees Eliza she is selling flowers on the street. On a bet, he transforms Eliza (after many exasperating lessons) into a fashionable, correct, and exciting woman.

Students Pinned Tail on Faculty

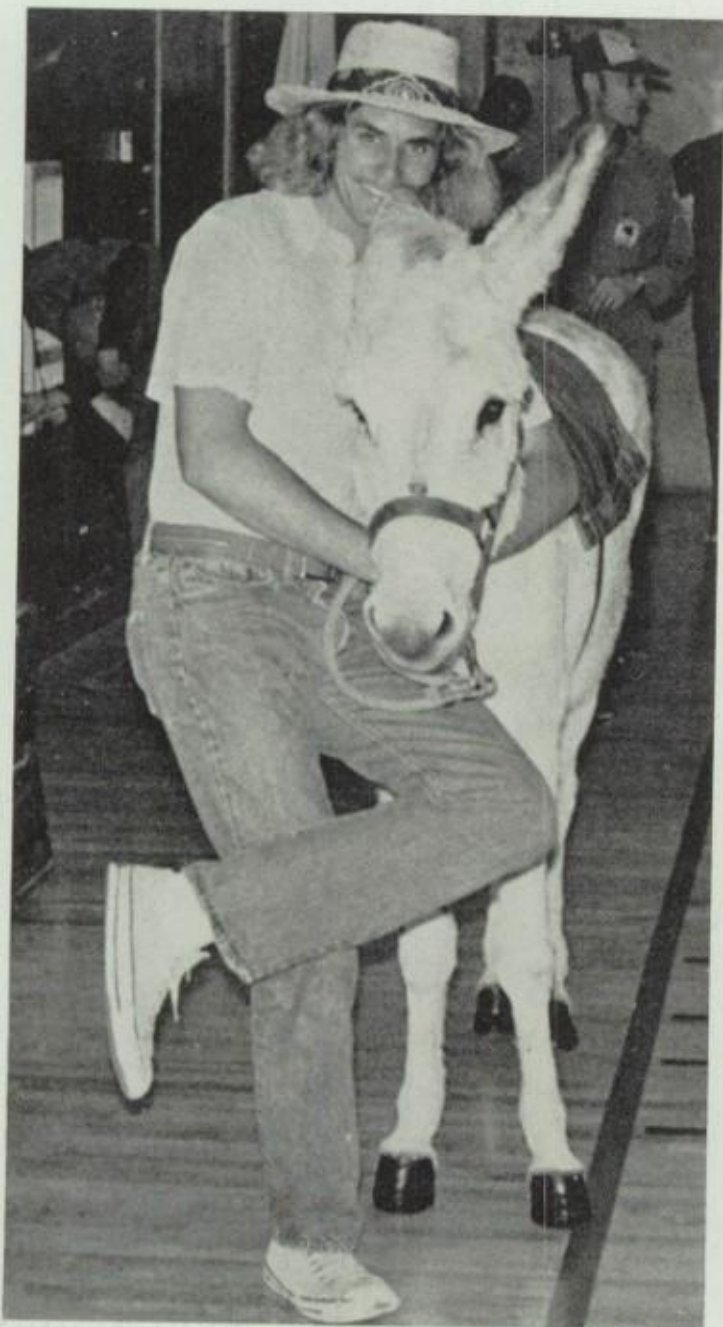

Donkey Basketball, an annual event sponsored by the Varsity "C" club, involved the coming together of man and animal in Clownful Competition. This year the senior guys went against the faculty men for the first quarter. Second quarter play involved the senior girls against the junior girls. The senior girls finished with a landslide victory over the juniors, the score was seniors - 2, juniors - 0. The last quarters involved play again between the senior guys and the faculty men, with the senior guys pulling off a score of 36-20.

Kathy Grosse, looking for a teammate, giggles down the court.

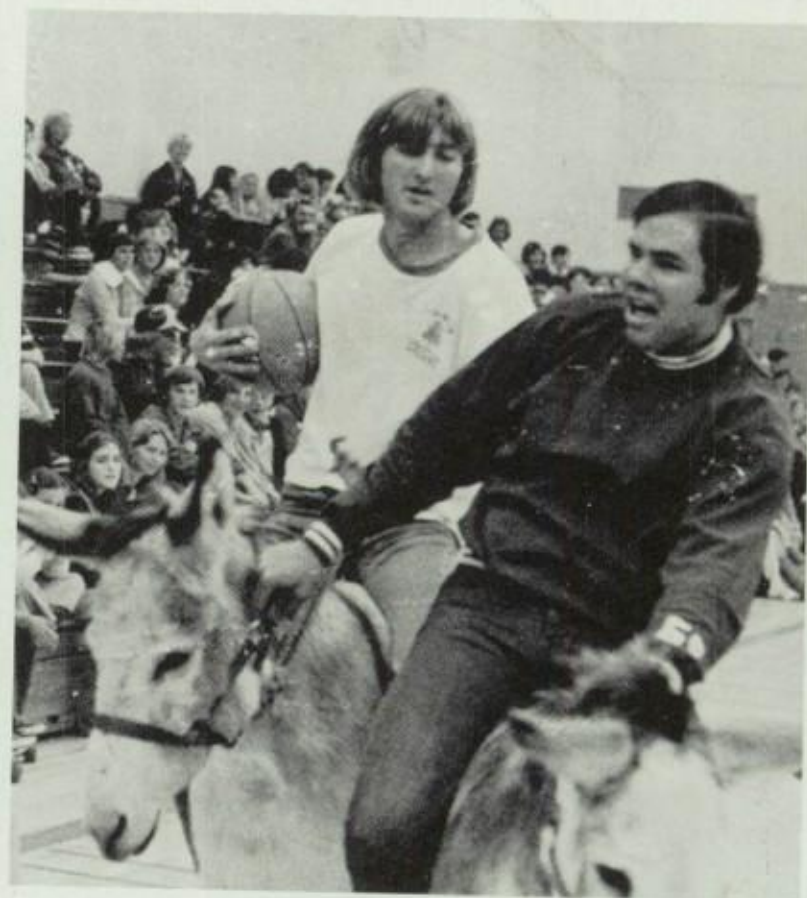

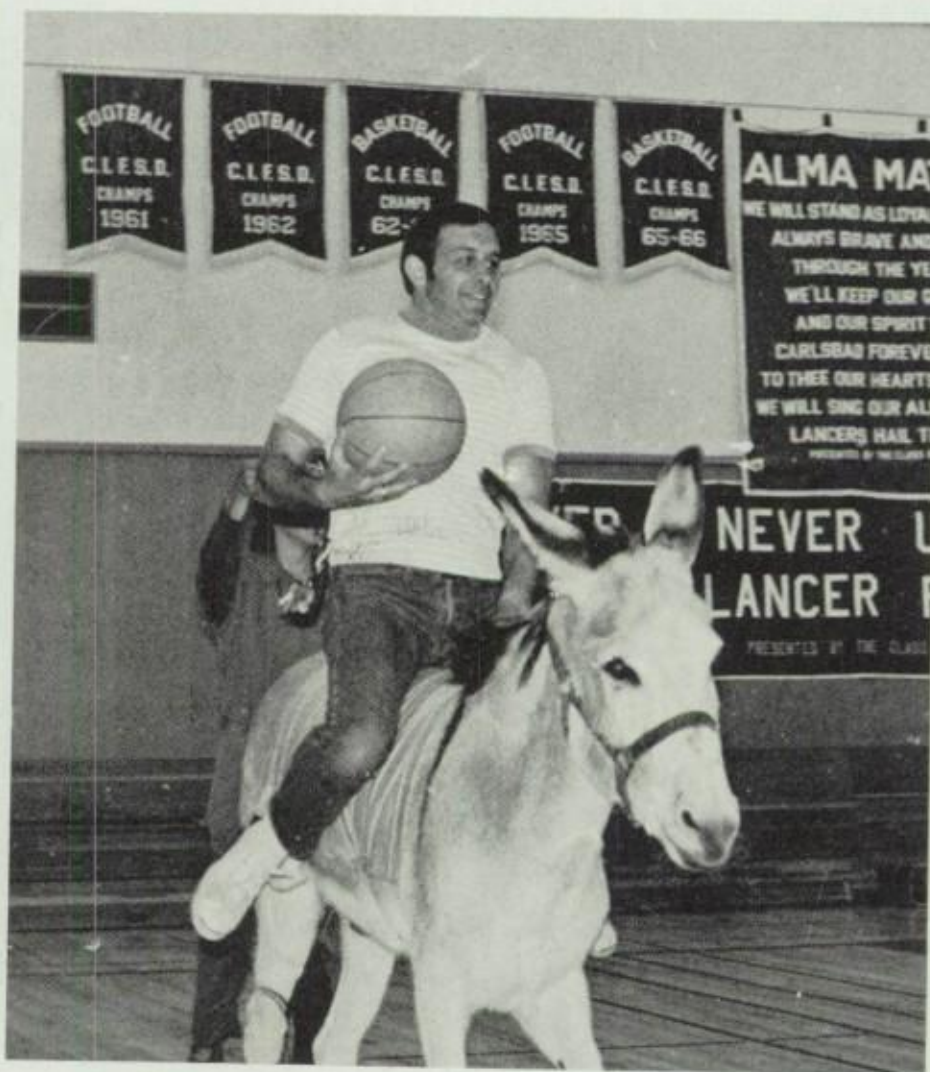

Coach Cap and Coach De have trouble with their stalled steeds.

Loren Coleman grabs Coach Tillmans Asinos.

Loren Coleman poses with his evening date. Stretch Coleman REACHES for the ball. Coach De hesitates before passing the ball. Brett Baur pushes Coach Tillman away from HIS ball.

50's day was a big success this year highlighted by such events as: the Fonzie look-alike contest, an "Arnolds Walk Through," and a dance after the game featuring North Star.

Hula Hoops, slicked back hair, rings around the neck, rolled up jeans, and school sweaters were vogue for the day. We never did figure out where the roller skates came from - "As a product of the 50's, I never saw such absurdities as roller skates. We were cool!" said one of the oldies.

Tye Led Seniors To the Top

According to the seniors the Superbowl was very successful, as the seniors beat the juniors 20-12. Kathy Tye made three touchdowns as a wide receiver and Chris Martorelli made a two point conversion.

The sophomores and the freshmen struggled at the line of scrimmage for a final score 0-0.

Coaches, Roger Thompson and Larry Coleman, converse about the game.

Chris may think it is serious, but the juniors don't.

Junior cheerleaders watch the game (and each other) ever hopeful of a tying touchdown.

George Senteno, frosh coach, doesn't seem too happy with the results of the game.

Senior cheerleaders sent the team onto the field.

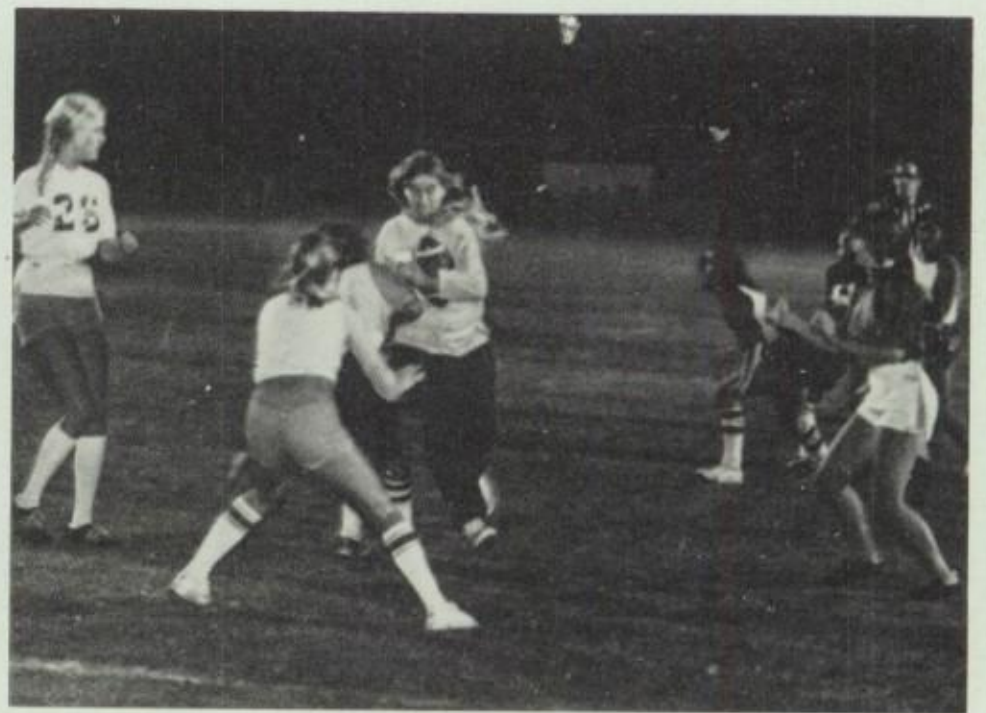

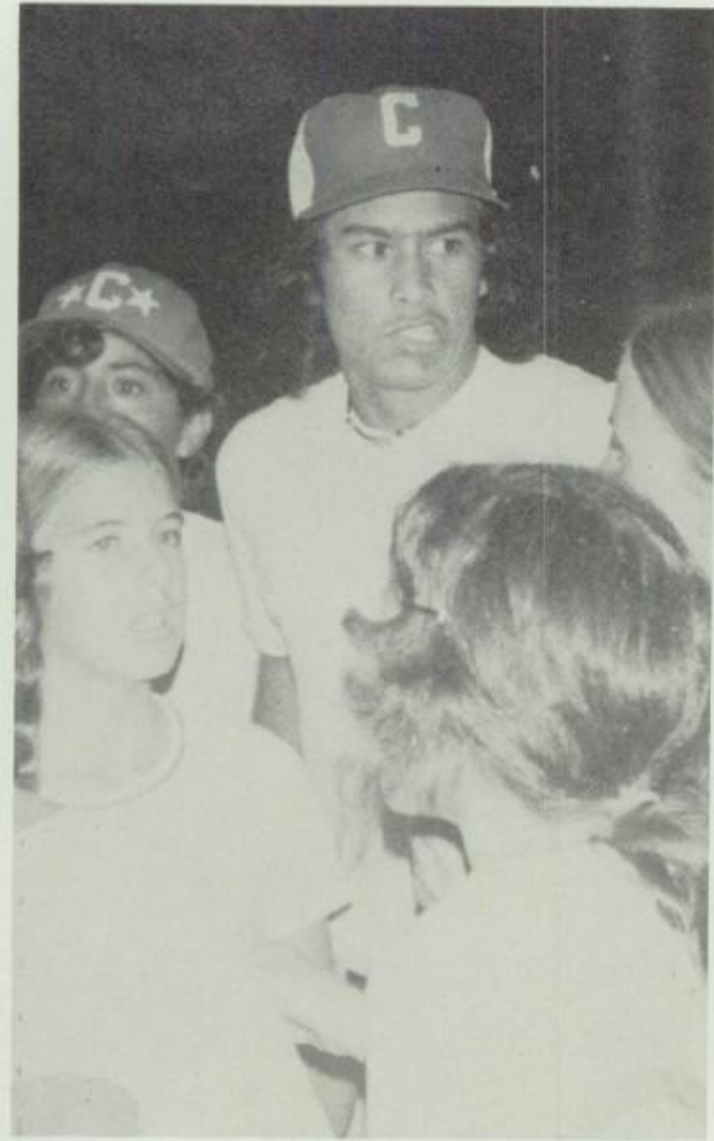

Coral Frolander dodges, as junior grabs for the flag.

Sophomore, Karen Thompson, closes her eyes and hides from the awesome frosh defense.

The score is written on the juniors' faces.

This year's Winter Formal was sponsored by the Senior Class. The theme was "Winter Dreams on a Snowflake High."

The committee was composed of Chris Martorelli, Jeff Harrison, Mark Tague, John Vaughn-Chaldy, J. C. Wilson, Vanessa Brown, and Steve Johnson.

Parachutes hung from the ceiling while blue carpet stretched across the floor. The formal was attended by more than 100 couples.

"Rosie and the Spiders" was the band.

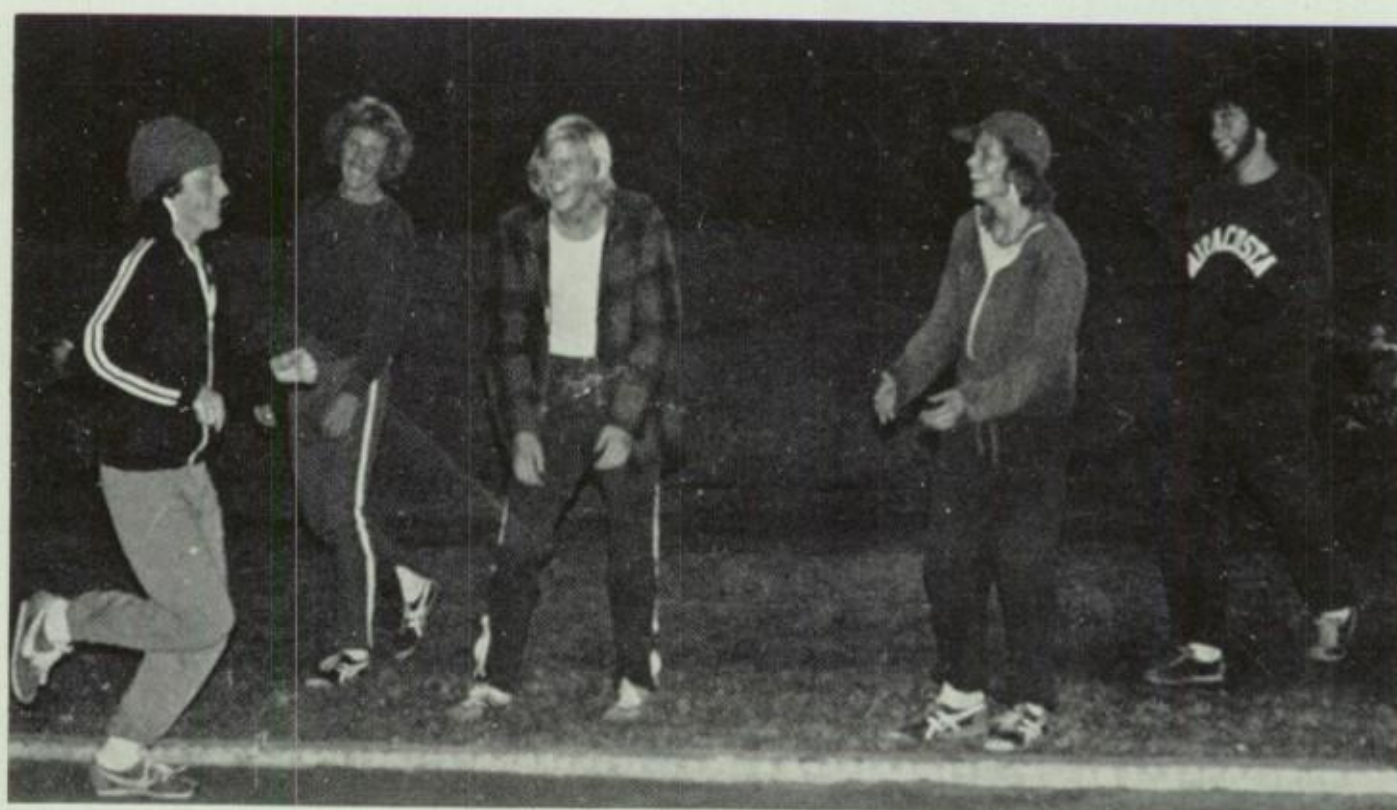

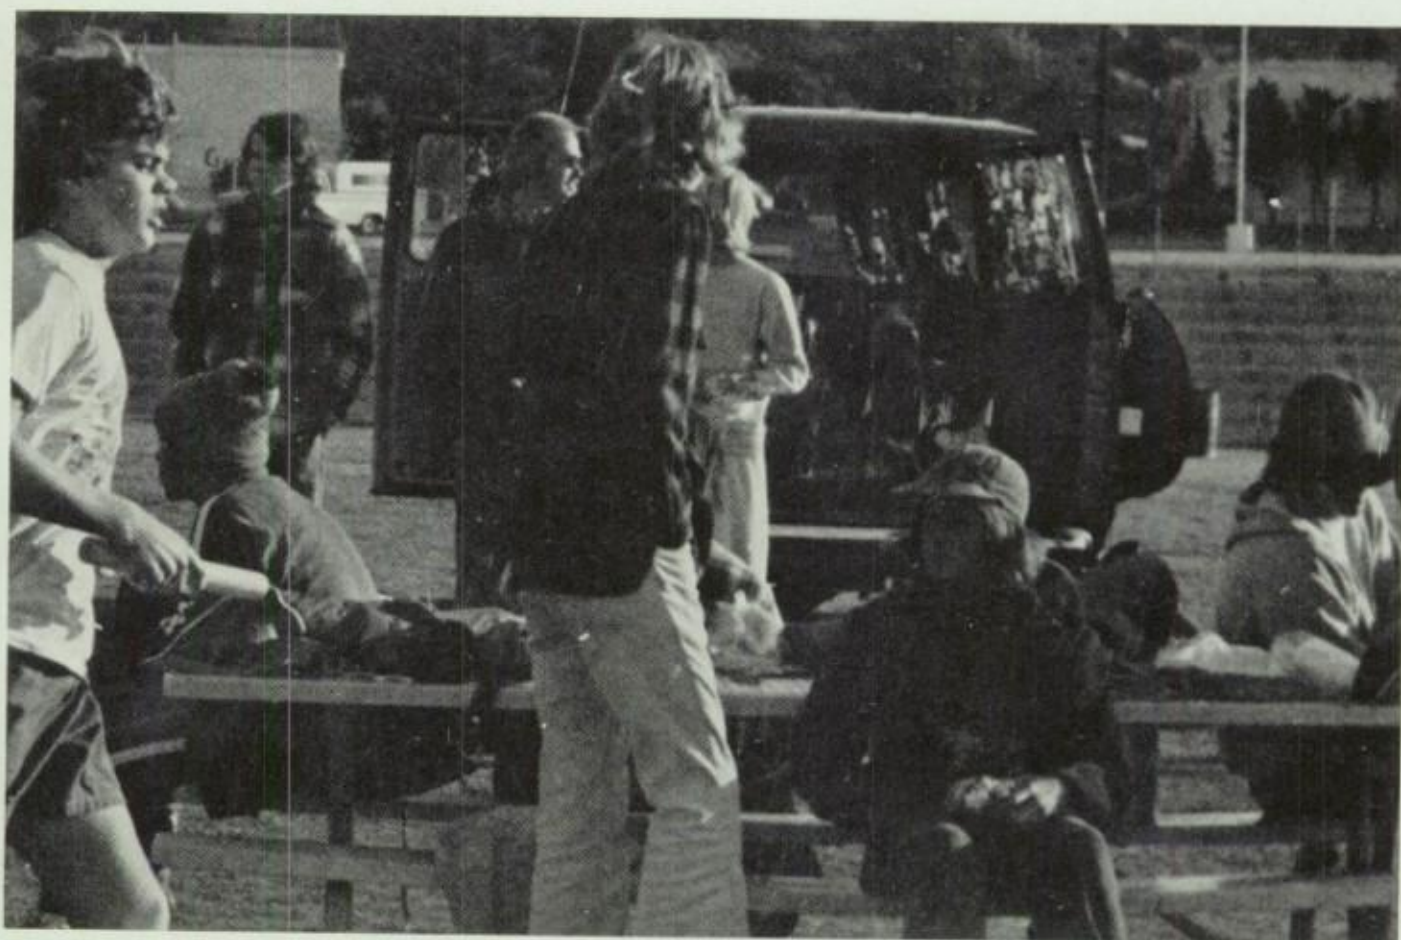

"Riggy" raced on . . . and on . . .

CAROL,
IT WAS REALLY NICE

NEXT YEAR AND THE YEARS
TO COME. PRAISE GOD, Mike Trostrud

On December 20-21 of 1976 the Carlsbad distance runners were out on the track for the Second Annual 24 hour relay. It took a lot of spirit, work, and overall endurance from all schools involved. Oceanside and Pt. Loma also participated in the "Riggy" relay. The following runners were all under the coaching of Brad Roy: Mike McGill, Casey McGehee, Joe Stimpson, Vince Hernandez, John Candelario, Pat Pievy, Scott McClave, Earl Schmidt, Kent Parnell, Mike Trostrud, and Gary Kelly. Alumni, Mike Parker, Jim Piela, and David Gregory also joined in to help.

Pat Pievy shows his enthusiasm as he takes a break. Runners rest up before their next run.

Joe Stimpson starts off one of his many grueling miles during the relay.
 Coach Brad Roy observes the relay.
 Scott McClave completes one of the first lengths of the journey.
 Fellow teammates cheer Racer McGehee on.

A.S.B. Promoted a Paste Party

A.S.B.'s official "paste-up" (Alias flour and water fun day) combined two events: one which turned the students into groveling misers and the second, a community bath tub of churning mud and flour.

The several hundred pounds of flour contained \$30.00 of change which went to whomever grabbed it.

A series of tug-of-wars followed that forced faculty and students to take a dip.

Carol Serna stuffed her pockets with coins inspite of Les MacIver's attempt to block her vision. He met his fate, though; and he really couldn't walk on water.

Monica Stuppy also felt the drags along with vice-principal "Micky Rouse." Terry Wrisley collected \$2.00, laughed at the people in the water, and was, of course, thrown in.

**“We’ll have the time

**. . . All the joy that we’ve known

Most Valuable to the School

Chuck Grafft and Lindi Calder.

Chuck believes that his award of the "Most Valuable to the School" was given to him because of his ability to dress like a monkey and still act like Dr. Deason at the same time.

Lindi "Wonder Woman" of A.S.B. and "Most Valuable to the School" was asked to what she attributed her title. She replied, "Eating Prontos day and night keeps those books straight and right!!"

Teachers of the Year

Mr. Michaels and Mrs. King.

Mr. Michaels has all the prerequisites for "Teacher of the Year." Among those being the natural ability to make jokes during explanations of postulates and theorems, showing home movies, and having the body of Captain Marvel!!

Mrs. King with her warm and understanding ways won "Teacher of the Year." She always urges everyone to try new things and develop their own talents. She is talented in her own right and may be as famous as Pablo Picasso some day!

Best All Around

Frank Castro and Chris Martorelli.

Frank is a very active and well liked person which led to his winning "Best All Around." His magnetic smile can be seen all over the campus!!

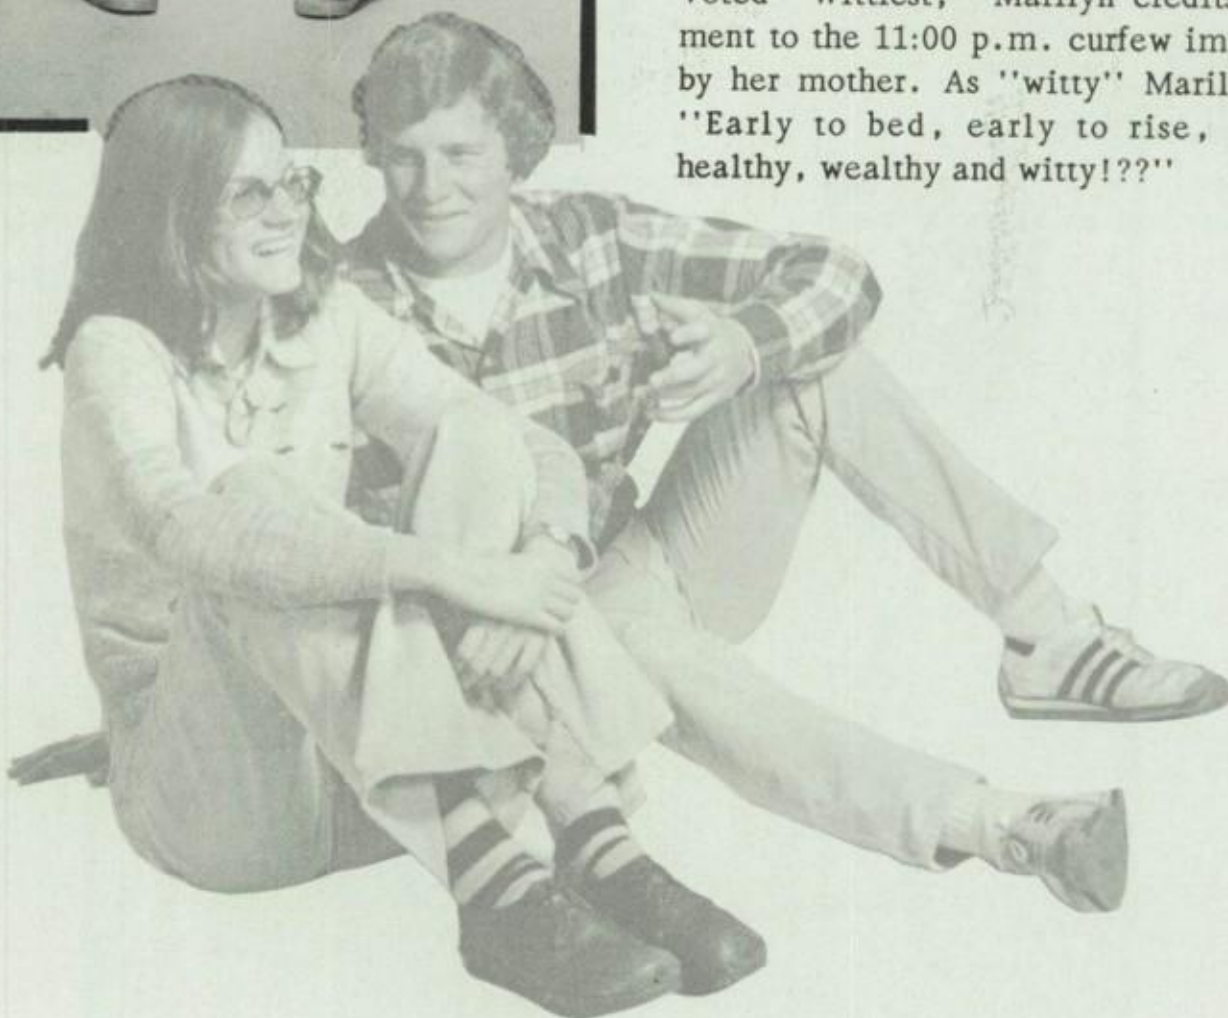

Senior Class President Chris is into just about everything at C.H.S. Maybe that's why her title "Best All Around" suits her so well!!

Wittiest

Chris Albrecht and Marilyn Cantrell.

Chris has gained his title "Wittiest" through his many uncanny "Disco Duck" imitations and everyday joke sessions with friends.

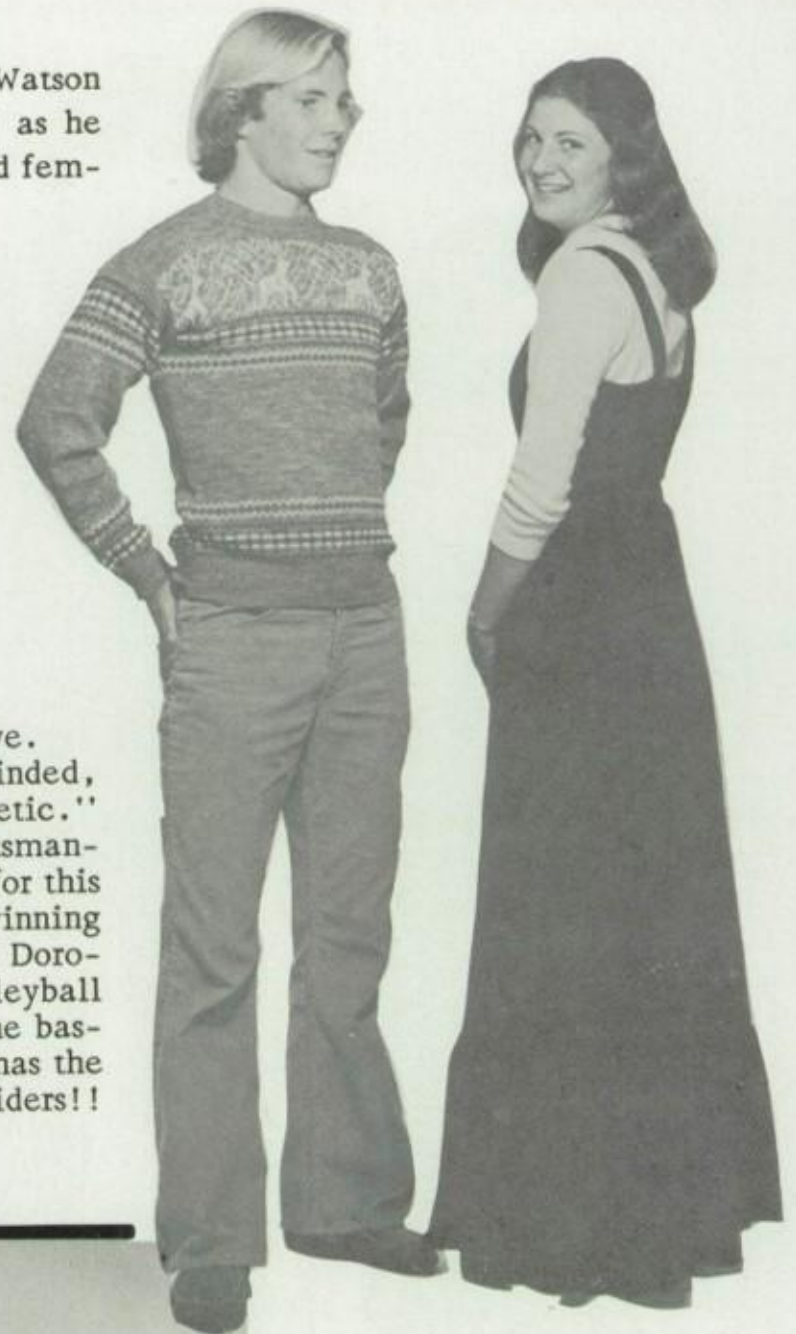

Voted "Wittiest," Marilyn credits her achievement to the 11:00 p.m. curfew imposed upon her by her mother. As "witty" Marilyn often says, "Early to bed, early to rise, makes a girl healthy, wealthy and witty!?"

Most Attractive

Watson Gooch and Meg Cipriano.

In accordance with the class of 1977 tradition, Watson again received the honor of "Most Attractive" as he did in eighth grade. Meg's natural good looks and feminine grace won her the title.

Most Athletic

Roger Thompson and Kathy Tye. Roger, being very sports minded, truly fits the title "Most Athletic." With his talent and good sportsmanship, he is the likely choice for this honor. Kathy attributes her winning to the fact that she looks like Dorothy Hamill, spikes the volleyball like Bill Waldrop, dribbles the basketball like Jerry West, and has the enthusiasm of the Oakland Raiders!!

Most Likely to Succeed

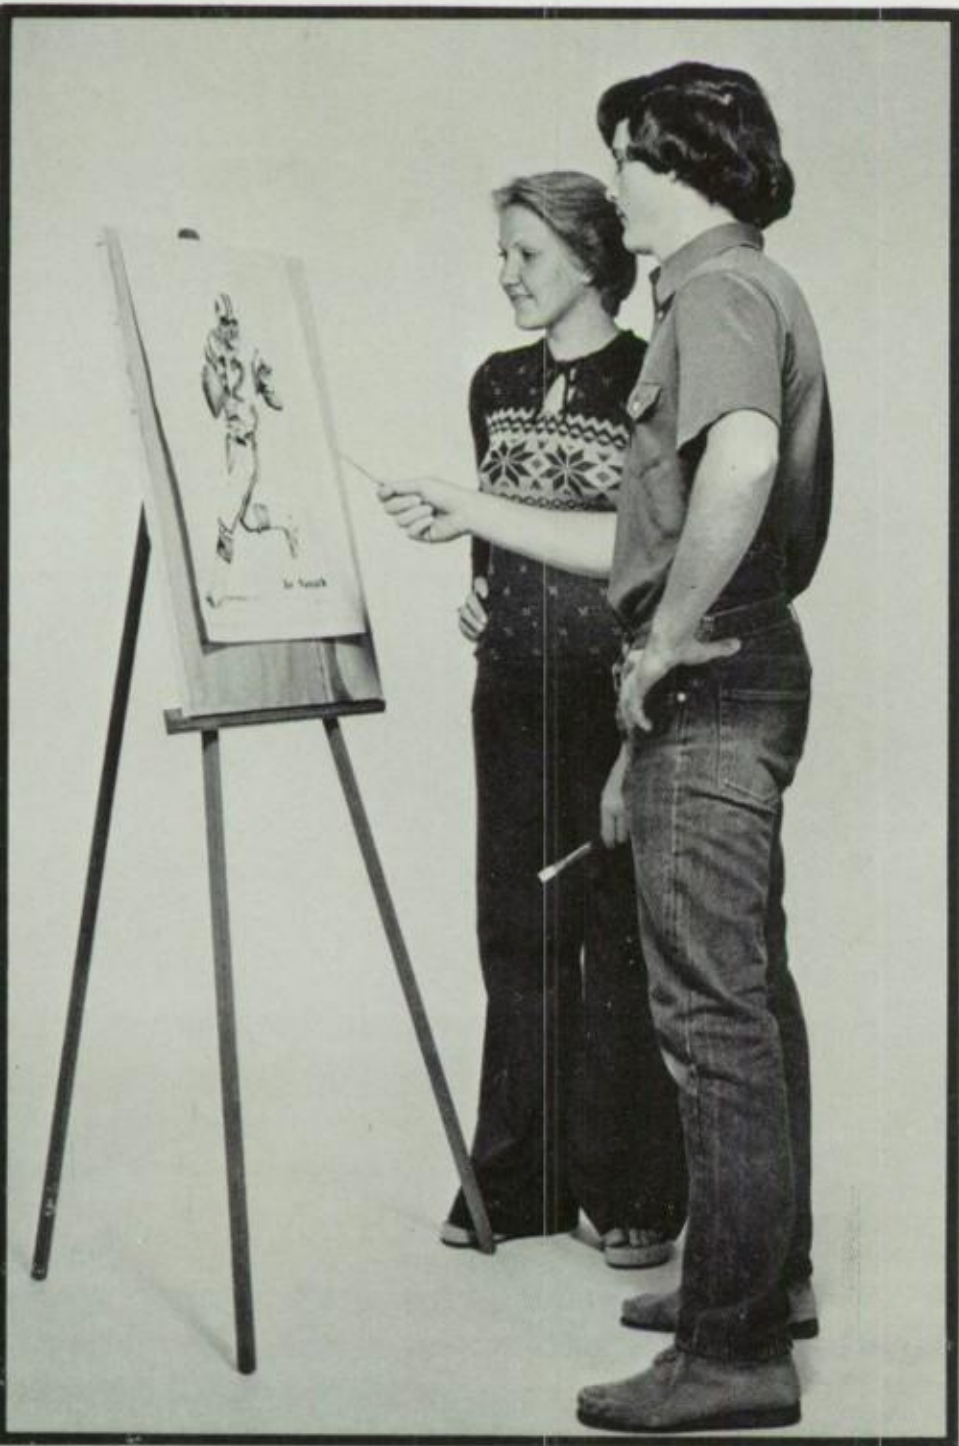

John Wrench and Amy Gregg.

John, A.S.B. Board Representative, was the winner of "Most Likely to Succeed." Word has it that he's planning to be a psychiatrist and get rich at our expense! Amy with her mighty brain got "Most Likely to Succeed." C.S.F. may be hard to get into, but not for Amy!!

Best Dressed

Noe Mercado and Dona Pasini.

Noe is truly the "Best Dressed" man on campus. His unlimited wardrobe adds style to his appearance. Donna is always up-to-date on the latest fashions. Being "Best Dressed" is easy, for she always looks as though she stepped from the pages of a magazine.

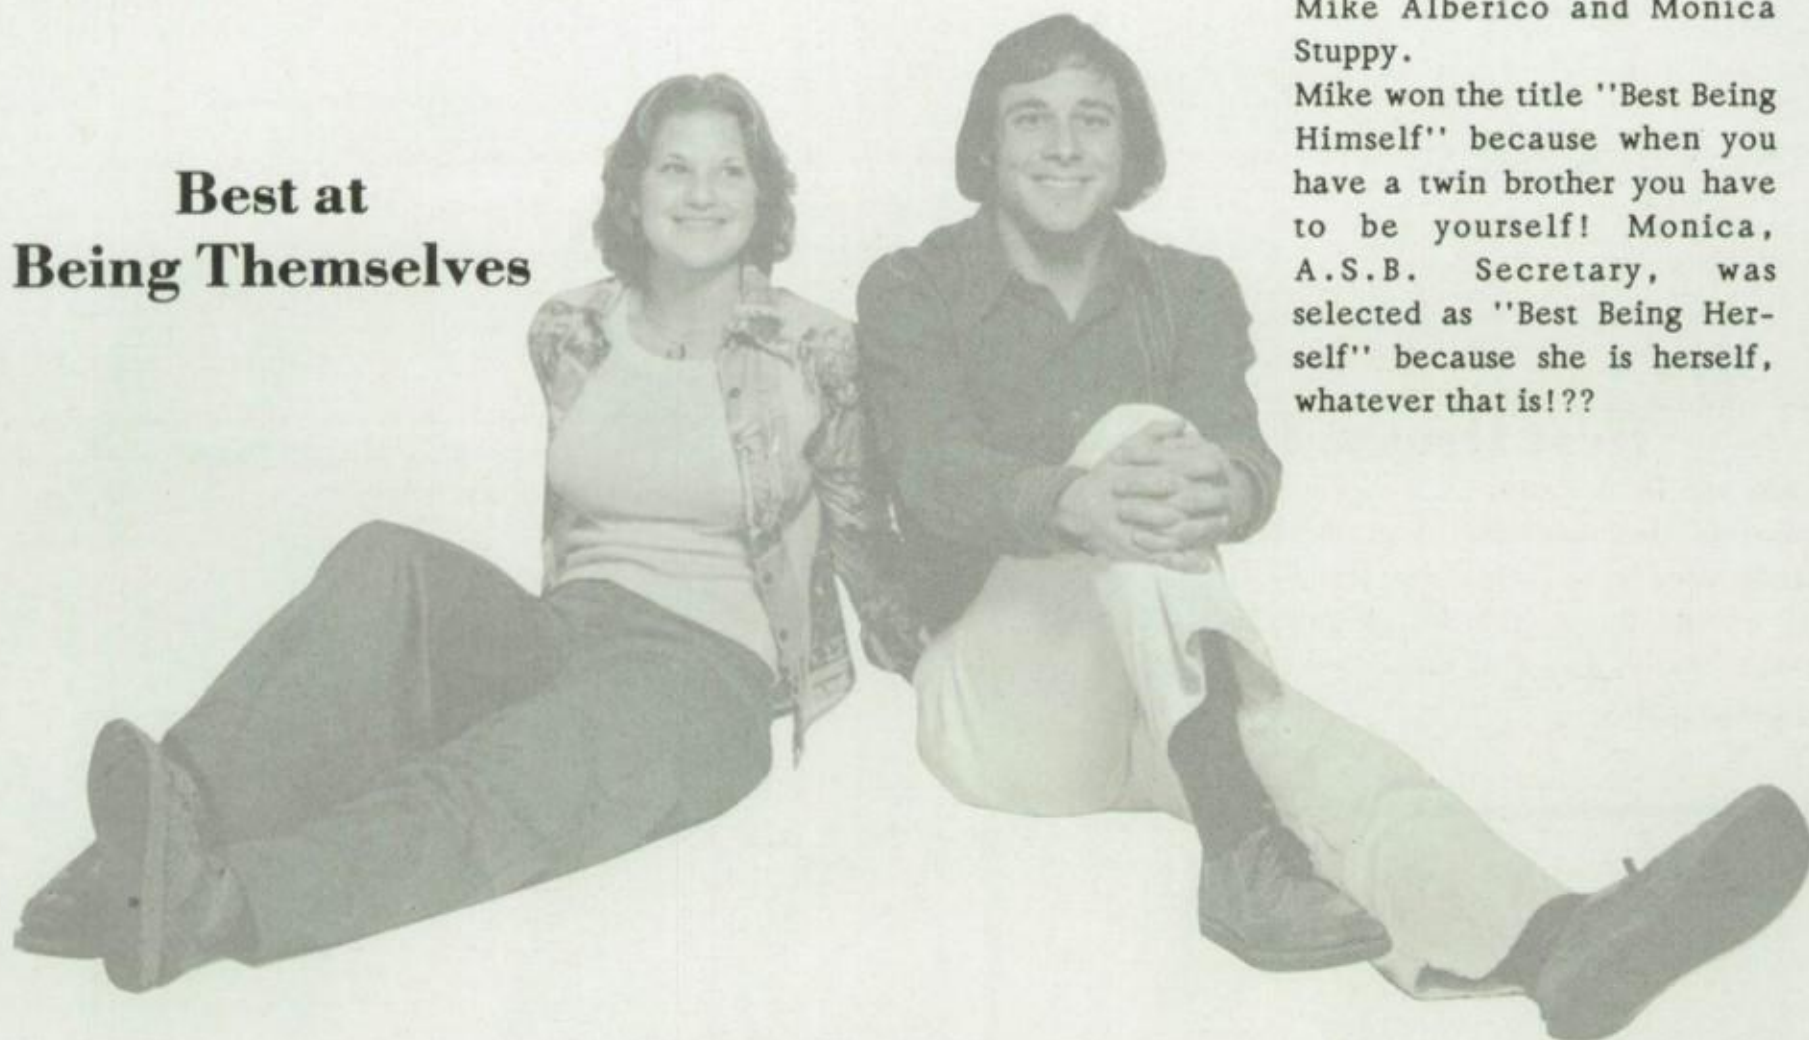

Most Talented

Phil Machamer and Karen Silberberger.

Phil was selected "Most Talented" because of his smooth pencil strokes in art class. His speciality is pencil drawings. Karen has been at C.H.S. only 2 years, but was quickly recognized for her artistic talent. She has won innumerable awards for her pen and inks, watercolors, and batiks. She is truly gifted and does not trace.

Best at Being Themselves

Mike Alberico and Monica Stuppy.

Mike won the title "Best Being Himself" because when you have a twin brother you have to be yourself! Monica, A.S.B. Secretary, was selected as "Best Being Herself" because she is herself, whatever that is!??

Car of the Year

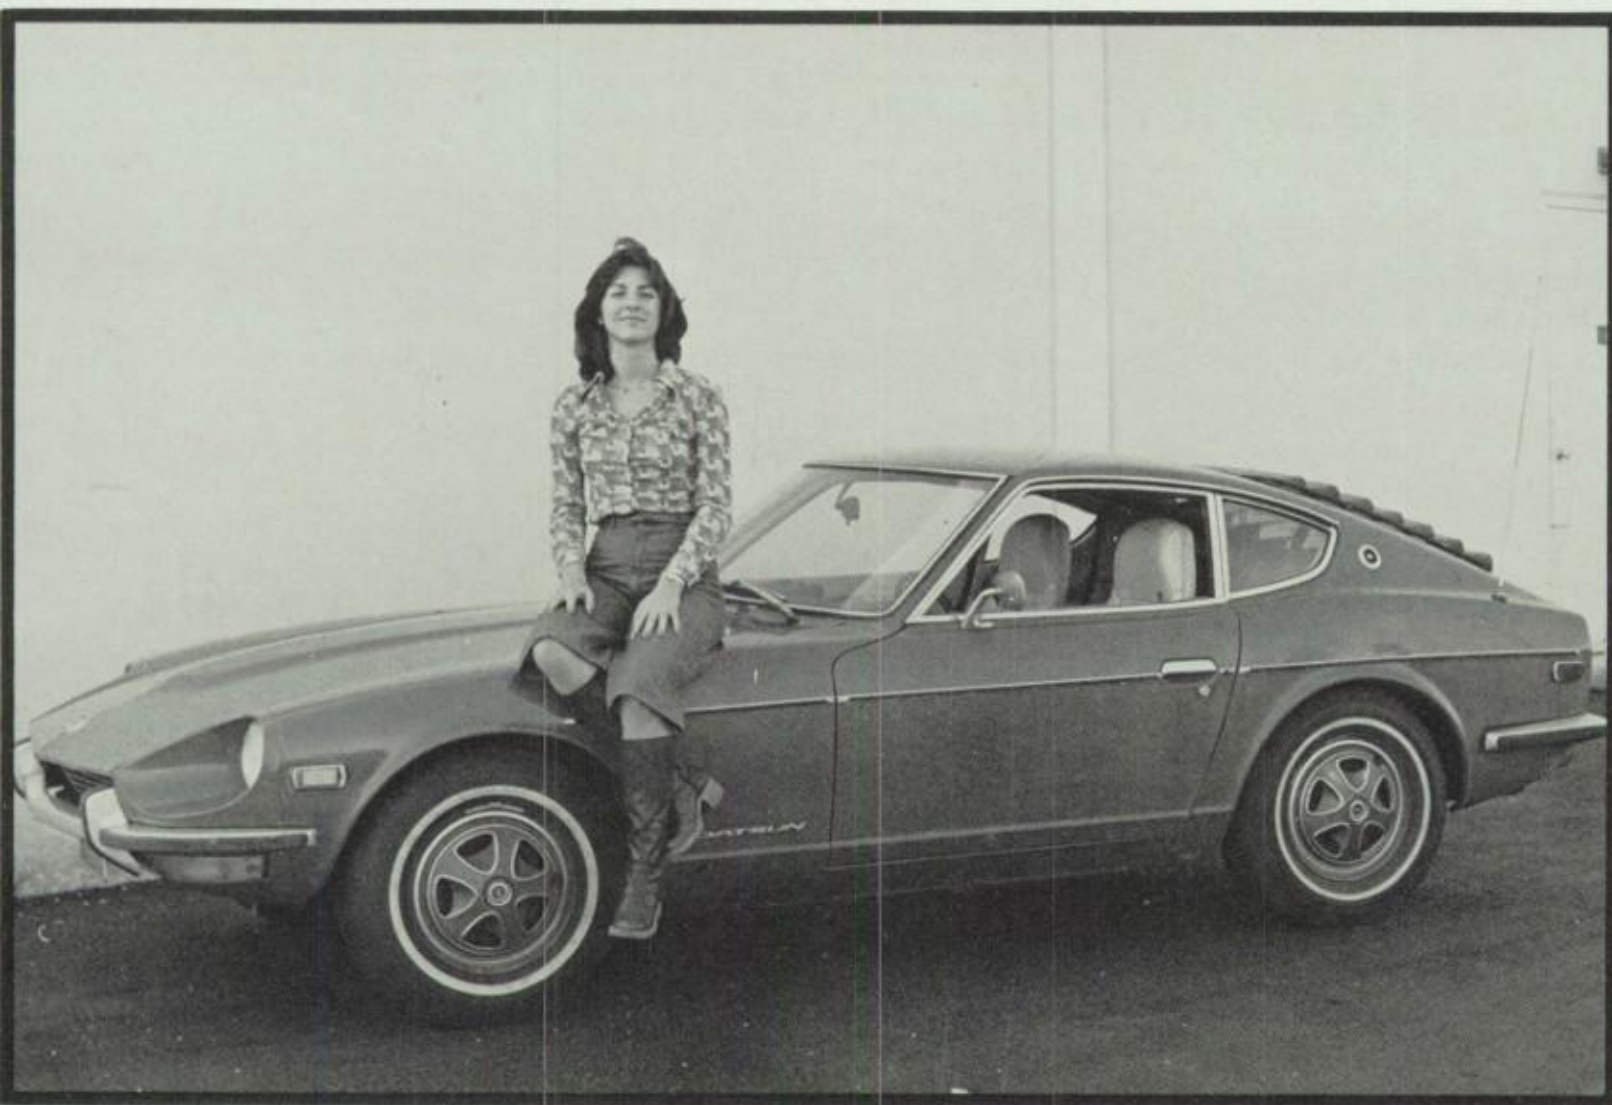

Tom Rogers credits his "Car of the Year" honor to parking his car at the end of the parking lot where everyone was sure to see it!

Most School Spirit

John Vaughan-Chalidy and Valerie Zoffel.

John claims he was selected as having the "Most School Spirit" because quote: "I have the biggest mouth in the whole senior class!!" We've never been able to slow Valerie down long enough to discover to what she attributes all her enthusiasm. Could the answer be Geritol??!

Car of the Year

Vanessa
Alvarez

Vanessa was voted girl with the "Car of the Year." Vanessa attributes her victory to her parents' pocket-book. Congratulations Vanessa, you've got that CARsonality!!

Best Personality

Chris Alberico and Renee Paul.

It has been observed that when Chris enters a room he, just bubbles with that "Best Personality." Renee's big smile and cheerful outlook has her appropriately named "Best Personality."

Seniors Had a Memorable Last Year

Lots of activities centered around the senior class of '77. They sponsored the "superbowl" football games and soundly defeated the juniors, which is as it should be.

The Winter Formal was a great success as were several other fund raising activities. They sold Lancer sweatshirts and sponsored several dances.

The Ditch Day, in spite of the announcement stating "there will be no ditch day . . .," was a great success as the absentee list rolled over the 400 mark. (Must have been some underclassmen sneaking in on the fun.)

The class continued in the C.H.S. senior tradition and helped make it a memorable year for everyone.

Advisors Heidi Kendall, Don Johnson, and LaVonne Vursvold spent long hours with the senior activities; Linda Daugherty (treasurer), Linda Wiedemann (social chairman), Chris Martorelli (president), Marilyn Cantrell (publicity), Ruth Prescott (secretary) and Agnes Sawyer (vice-president, not pictured) worked with the sponsors to achieve their outstanding success.

Innovative Council Kept Us Alive

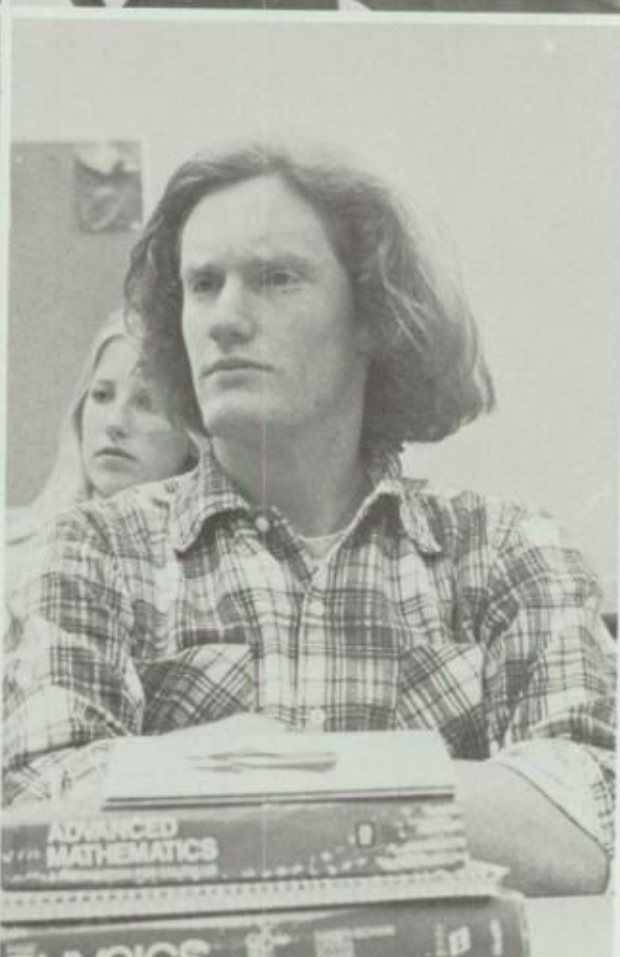

Eric Monce .. Advisor
Chuck Grafft .. President
Colleen Freitas .. Commissioner
of the House

Patty Howard-Jones .. Athletic
Commissioner
Monica Stuppy .. Secretary

Energetic and Creative, these are the adjectives that best describe our Associate Student Body Council this year. Headed by Eric Monce and Chuck Grafft, A.S.B. has given our school a new found spirit.

Freshman orientation week started school with a bang. Among other things A.S.B. sponsored such activities as Farmer's Day, 50's Day and the annual Christmas Party. The B-100 Boogie Machine made a big hit on campus along with the hit group Poppa Doo Run Run.

The 2-man group, Olympic and Reburn added a touch of religious sentiment to a new kind of country music.

We also enjoyed a C.H.S. rendition of King Kong, the B-100 chicken, class competition, pep assemblies for all sports, an honest to goodness kidnapping, the first Lancer Day assembly without the Alma Mater, and a new clean up policy stating that school would be released early on Fridays if the campus were clean for the preceding week - a safe decision. If it hadn't been for our custodians, we never would have gotten out early.

 Enid Dalkoff - Pep Commissioner
 Lindy Calder - Treasurer
 Lindsay Watson - Vice-President
 John Wrench - Representative to the School Board
 Joanne Kinghorn - Assistant Treasurer

Ski Club Persisted and Survived Opposition

The newly formed Ski Club which is an Explorer Post of the Boy Scouts of America is open to both boys and girls. Its special interest is snow skiing. This year they took several trips to Snow Summit to night ski. The highlight was a weekend trip to China Peak. This is the second time the Ski Club has made a bid to become a permanent fixture at C.H.S. Insurance and lack of snow have been deterrents. The Moral: THINK SNOW!

C.S.F. Promotes High Scholastic Achievement

 Karen Silberberger: Publicity
 Helene Dodd: Advisor
 Sandy Radoycich: President
 Chris Alberico: Treasurer
 Steve Johnson: Vice-President

Back row: Terri Peniston, Kathy Buscher, Maggie Kressin, Beth O'Neil, Kathy Hewitt, Sherri Devearux, Kelly McKee, Kathy Winger, Dorris Mann, Annette Kennedy, Kathy Riley, Jo Andrews, Anita Talone, and Chris Failing. Front row: Michele Chen, Becky Wallace, Pammy Fatcher, Karen Duxtador, and Cindy Silberberger.

The California Scholarship Federation promoted high grades and scholastic attainment by maintaining the 3.5 entrance requirement. The C.H.S. grading system was standardized throughout the school this year. An "A" was 93-100%, a "B" 83-92%, etc. This made it much more difficult to remain in the club.

The primary goal of C.S.F. was to raise \$1000 for scholarships. To do this, the members of the club had to carry huge, backbreaking baskets of roses, sell dozens of cookies and cakes, and participate in several rummage sales.

Some of the more enjoyable activities were the Progressive Dinner and the Disneyland trip.

Back row: Jim Ukegowa, Tom Strause, Mike McCaffedy, Amy Gregg, Paige Merit, Tara McPherson, Chris Martorelli, Julie Bear, Chuck Graft, Joyce Melideo, Cody Jones. Middle row: Josélo Barcia, Steve Wittler, Dan Hermavick, Mike Alberico, Alex Bell, Chris Alberico. Front row: Lynn Newsome, Stephanie Radoycich, Tam McMann, Diane Warthen.

Speech Club Was Reactivated

Every year, hundreds of students from Southern California meet at San Diego State for a three day long session of Model United Nations. The purpose of M.U.N. is to give high school students an understanding of how the real U.N. functions.

M.U.N. can have its humorous side also. Delegations send letter bombs to the Secretary General, countries declare war on one another, and once in a while walk out of the U.N. altogether.

A.F.S. Had a Jet Set

The American Field Service is a group of students who work together to send qualified students to represent Carlsbad High School and the United States in other countries. They also make the visitors that come here from other countries feel welcome.

The students who are sent abroad spend all or part of a school year with another family.

A.F.S. also put together a very presentable float for Lancer Day, with flags of the various countries.

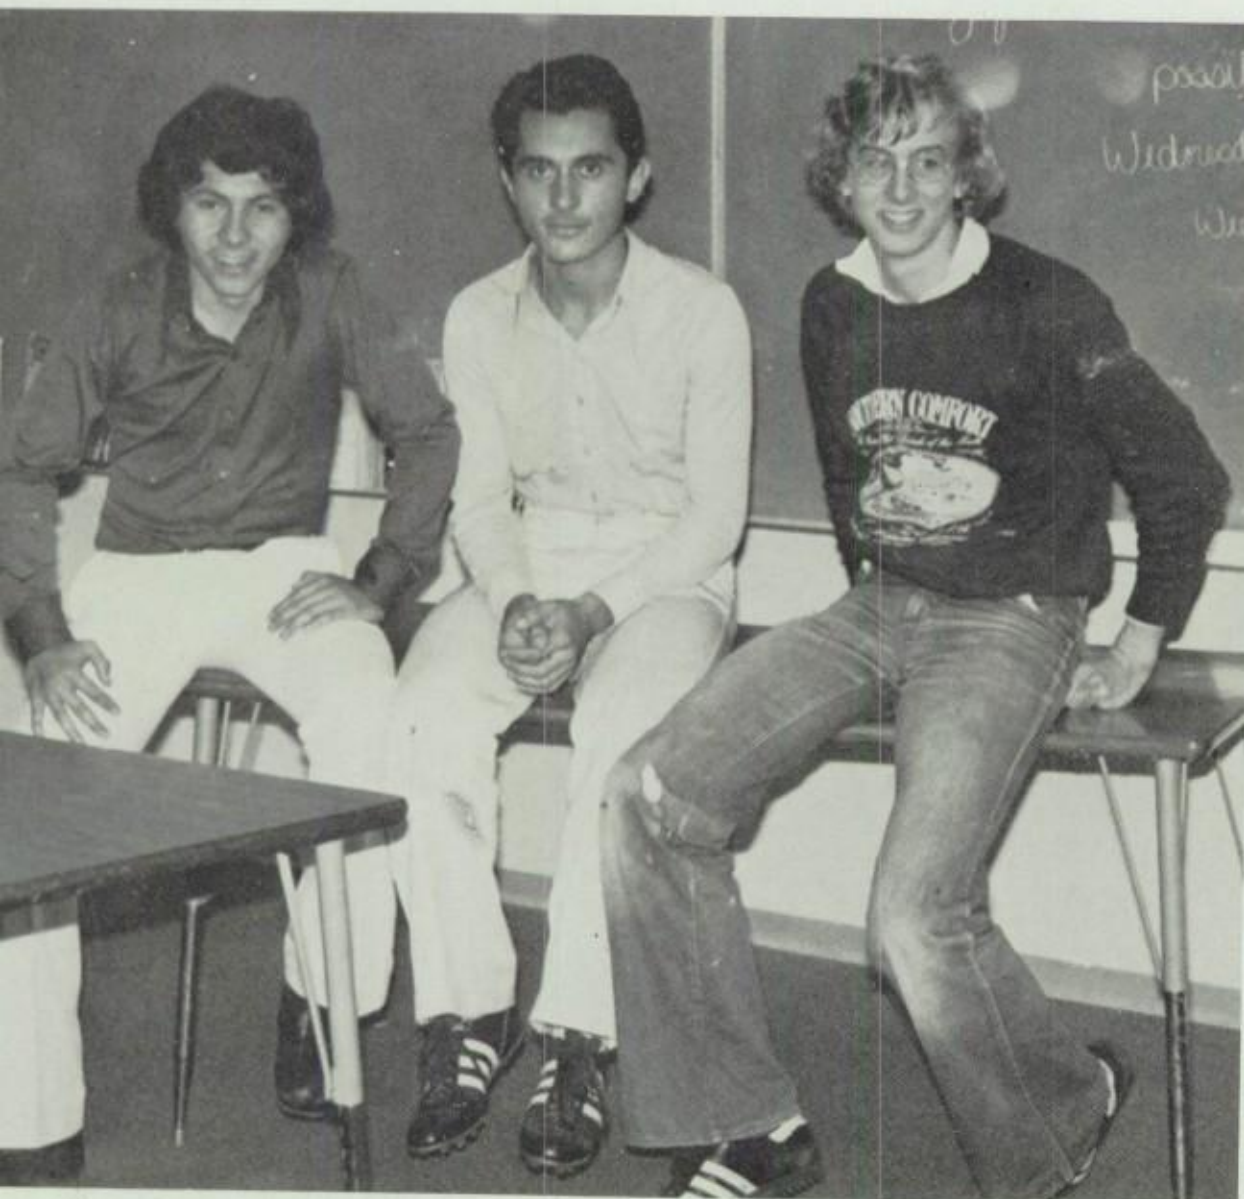

The club has become very involved in the student exchange program, as we have three visiting students from different countries.

Our visiting A.F.S. students include: Joselo Barcia from Ecuador, Apurina Caldas from Brazil, and Alan Tucker from England.

When You Gripe About the Farmer,

Carlsbad's F.F.A. has suffered a declining interest. Though there are many students enrolled in the program, few seemed willing to devote the necessary time to complete meaningful projects.

Field days were attended in Los Angeles and Fallbrook along with a horse show in Ramona.

The judging teams competed in livestock, poultry, horses, vegetables and soil.

Carlsbad was at one time an agricultural community. We hope that in the future, agriculture will be again recognized for its true importance for it will be the farmers who keep us alive, not computer programmers.

Karen Evans has been in F.F.A. for two years. She began with one market lamb which won 1st in its class for purebred Hampshire lambs. She then purchased an ewe and is shown with the second set of twins in two years. She plans to take these to Del Mar.

Don't Talk With Your Mouth Full!

Though not pictured, Jeff Knowles had a nice project of Monterey Pines. He sold the baby Christmas trees to a local producer.

Doug Sippel has been in F.F.A. for four years. This year's project was three steers. He is pictured with his nine month old angus-simmental cross which he will show in Del Mar. He plans to attend Cal Poly, San Luis Obispo.

Excalibur^{KAS}

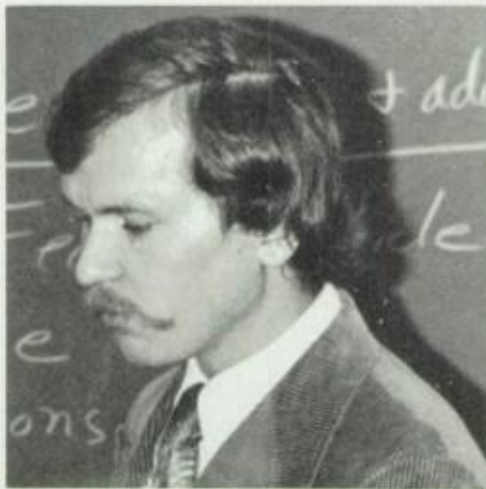

Excalibur changed the format of the school publication from a magazine "Changes," to a newspaper.

Tom Robertson took the helm as the Journalism class supervisor for the first time, and except for members involved with Changes, the entire class was new to the field of publishing a newspaper.

"Excalibur," throughout the year, was looking for a new, exciting material that would not only prove interesting, but would also be unique and different from what other high schools were printing. The newspaper was concerned with publishing articles that would appeal to both students and faculty.

Extending its coverage beyond the borders of CHS, "Excalibur" dealt with subjects different from traditional "school news."

Publishing at the "Oceanside Blade Tribune," the Excalibur staff received first hand exposure to the process of producing a newspaper. The staff learned many facets of production from reporting to layout and distribution.

This year's Varsity Football Team, nicknamed the "Little Rascals," may have lacked in numbers, but their enthusiasm was never higher.

As Coach Buddy Lewis explained, "I couldn't be prouder of these kids; they all gave 110%!"

Despite a 2-6-1 record, the future holds nothing but promise. Coach Lewis will retain the fine junior quarterback Mike Regan who showed signs of all league potential, along with sophomores Mike Dahlquist and Tom Baird.

The varsity captains were Roger Thompson and Randy Larsen. The Most Valuable Player Award also went to Roger Thompson.

The 1976 Junior Varsity Football Team ended the season with a record of 3-5-1-, but the performances of the players were highly praised by the Junior Varsity Coaches. As Coach Fisher said, "These kids all did their best and that's enough for anyone. There wasn't a team in the league that this team could not play evenly and proved themselves to be potential spoilers. They need only some experience and physical maturity."

The Co-Captains for this year's team were Steve Barquist and Vince Cruz. Steve Barquist also got the Most Valuable Player Award.

Girls' Tennis Team Faced Tough Season

Although this year's varsity tennis team was matched with two C.I.F. teams as a part of their schedule, they maintained Lancer pride by coming in fourth place in Avocado League West. Awards included: Most Valuable Singles Player, Colleen Hennigar; Most Valuable Doubles Player, Nancy Bieksha, and Brenda Brown; and Most Improved Player was May Bradshaw. The Carlsbad Soccer team showed fantastic improvement by going from the 1975-76 season of last place to this year's title of first. At press time, with only seven games to go, the team had a record of 10-1-1. They have been in first place since the beginning of the season. "Everyone really worked hard all season long," says Coach Borkowski. "They had a lot of pressure on them the whole time." Some of the more exceptional players mentioned for this year were: Zeke Barrios, Javier Gonzales, Ismael Herrera, and Pedro Martinez.

J.V. Displayed New Enthusiasm

The 1976-77 Junior Varsity Basketball team, under the direction of first year coach Michael Bray, displayed new enthusiasm with winning results.

Led by transfer Mike Trinci and guard, Joe Hodges, the Junior Varsity got off to a fast start only to be besieged by a mid-season slump.

Mike Trinci was named the Most Valuable Player while Joe Hodges received the honor of Team Captain. The Best Rebounder was David Hanna.

Frosh Had a Dismal First Season

The 1976-77 Lancer freshman basketball teams lacked in height, but abounded with ability.

Larry Newman led the team in most offensive categories with a 15.8 point average per game.

As coach George Hinds says, "These kids really hustled all the time. I think they will become a really talented team in the future."

Chris Newsom, Pat Senteno, Jim Reeseaman, Frank Sullivan, Jeff Debeau, Larry Newman, Coach Hinds, Mark Hermesen, Andy Clark, Jason Coleman, James Mollo, Steve Francis.

Chalk talk finds Coach George Hinds discussing the game strategy. Pat Seneno (10) skys for two. Larry Newman (22) shows fine balance in putting up two more. Mark Hermesen (34) shows good form in a jump shot.

The Varsity softball team had an exciting season, tying for second place with a 7-5 league mark. Carlsbad started slowly, but pulled together for an outstanding performance in the All-Avocado League Christmas tournament. In league play, Coach Jane Seybert's girls jumped to a 7-2 start before dropping the final three decisions.

The Lancers were led throughout the season by Paula Passarello's batting and errorless fielding. Paula was named to the All-Avocado West team for her accomplishments. Pitcher JoAnne Kinghorn, baseman Mary Jo Kern and third baseman Karen Thompson made the second team, while Lancer Captain Susie Alspaugh also enjoyed a fine season from her catching position.

The girls' Junior Varsity softball team had a good season with a 7-5 record and a tie for 3rd place. Their most valuable player Jill Prichard really fit the title with good out fielding and great batting. The J. V. Lancers were also led by Tonie Archey and Lisa Hiem who also received honors. And their captain Wendy Wisely had a good season putting her all into it. Coach Hiedi Kendall was very proud of her girls, and thinks next year they will show the same outstanding performance.

Up to bat is Penny Soto, she looks like she's ready to slam the ball. Melody Servi takes her time while she runs from third base to home.

JoAnne Kinghorn, Chris Martorelli, Debbie Mitchell, Paula Passarello, Agnes Sawyer, and Karen Thompson were seasoned from a year on junior varsity.

The team had a winning attitude and placed high in the Avacado League.

The Junior Varsity Team was exceptionally strong this year and was led by two outstanding, returning J.V. players from last year. Pat Demy and Anne Kressin returned from last year's team. The strong point of this year was the defense and four unusually tall players, Sandy Oliver, Janet Pierson, Gina Trinci, and Lori Strain.

The 'Purple

Machine" Rolled Again

This year's Varsity Baseball team was comprised of plenty of hustle, good attitudes and a great will to play. Led by Varsity Coach Stan Hubert, the Lancers opened their season with a victory over Dana Hills.

At press time, the Varsity squad was ranked sixth in the county and quickly moving up. In the words of Coach Hubert, "We have an excellent team this year." With the seven returns from the 1976 Avocado League West Championship team the upcoming team looks bright and encouraging."

The Coach pointed out six outstanding players on this year's team. They are Mark Thompson, Kirk Drost, Kevin Shields, Chris Alberico, Mike Alberico, and Larry Delgado.

Junior Varsity Numbered "Dirty Dozen"

This year's C.H.S. Junior Varsity Baseball team has done an outstanding job this far in the season. The team, coached by Les Swaim, has proven its ability to come out on top in difficult and pressure filled games.

The team consists of twelve players and they all went through the season with great enthusiasm. These twelve were all very dedicated baseball players and will prove themselves to be valuable assets to future Carlsbad teams.

Front: Kelly Barney, Blake Larsen, Tom Baird, Mike Trinci, Steve Whitley, Coach Swaim. Back: Vince Cruz, Bill Yehling, Bob Rowlett, Rich Castro, Javier Nunez, John Hickman, Brian Bongorni.

Frosh Had a New Coach

This year the Freshman Baseball Team began with a lot of enthusiasm and all expected to do well. Coach Hinds, being a former freshman umpire, had the great opportunity to view the talent of the competing teams in past years. He had great confidence in what he saw in his team. In his words, "The baseball talent has always been good in the past here at Carlsbad. I don't think that we will be any different."

Coach Hinds mentioned Jim Sullivan, James Molo, Ross Stifler, and Mike Givens as some of the more outstanding players for this year.

The Class of '79 Is Mighty Fine

The Class of '79 was one of the 'gung-ho' groups at C.H.S. They won the float competition at Lancer Day, the P.T.A. membership drive, and are also the largest class. They might have won the spirit trophy, but no one beats the Seniors!

The optimist Creed

PROMISE YOURSELF

To be so strong that nothing can disturb your peace of mind.
 To talk health, happiness and prosperity to every person you meet.
 To make all your friends feel that there is something in them.
 To look at the sunny side of everything and make your optimism come true.
 To think only of the best, to work for the best, and expect only the best.
 To be just as enthusiastic about the success of others as you are of your own.
 To forget the mistakes of the past and press on to the greater achievements of the future.
 To wear a cheerful countenance at all times and give every living creature you meet a smile.
 To give so much of your time to the improvement of yourself that you have no time to criticize others.
 To be too large for worry, too noble for anger, and too happy to permit the presence of trouble.

Parting Shots

After many years and many miles of red tape Carlsbad (whether city or h.s.) is still spinning its wheels over a swimming pool.

The decision on the 'current' location has taken seven years. When the original location was discussed, there was no room for parking. Within the past couple of years, the pool commission has been most interested in a lot at the corner of Chestnut and Monroe, across the street from the school. There was ample parking provided at the end of the high school nearest that corner. However, the owners of that lot continually refused to sell and the commission was therefore forced to end any plans to build the pool there eventually.

The school district became interested in having a pool of its own. At that point the city pool planning commission and the school district began brainstorming and came up with the idea of building the pool near the school's student parking lot and tennis courts.

As it is now, the school lacks an adequate number of tennis courts especially with the areas ever-increasing number of tennis buffs. Also, the school is grossly lacking a sufficient number of student parking lots. This problem is bound to be multiplied many times in the near future with the ever-increasing affluence in the Carlsbad area.

The high school students unknowingly solved the problem.

Using a hole dug by the anthropology classes, water from the fire department, and following their instincts, they went swimming.

To a little girl with curly hair
